I wish to thank everyone who has sent me info on my Dyer family, which is my Mothers family.

I started this back in 1969 and all my grand parents were gone but still had many other members of their family I could call on to get info. Otherwise I worked at the court house, library and cemeteries to find info that I could.

I with others spent many a week at the Ft. Wayne, IN library, Salt Lake City library, Madison, WI library and many hours at Columbia, MO library just about every year from when I started. There was 4 of us who went to Iowa City every month during the good weather but now one has moved, one has passed and the other can't get out any longer and no fun to go by your self. So decided it was time to stop.

This was before the internet so didn't have that to rely on but was just as well as have found a lot of wrong info on the internet. (I can't say mine is all right either) As much of it was not able to be proven for sure so just had to go by what we could find. But if anyone has proof of what you find is wrong in any of my books I would appreciate knowing it. We know every one is not 100% right as no one is perfect, even in research.

So hope these books will be appreciated and enjoyed as much as I had putting them together. But I think now is the time to turn them over to someone else to enjoy as I can't get to the libraries any longer and only the internet to rely on and that isn't as much fun as going to the places where your ancestor's walked themselves.

They were in Harrison Co. IN 1810, 1820, 1830 and 1813 tax list.

Patty Hurst was living with son Nimrod in 1850 census of Harrison Co. IN and was listed as 90 years of age. She was listed as age 94 when she died in Feb 1852. She was buried in the Hursttown Burial Grounds cem. outside Corydon, IN where her husband and 5 children were buried.

The story goes (according to Hurst Info) that John went across the county line and wooed and won Martha Menefee. She possibly lived in Culpeper Co. VA and John was in Shenandoah or other way around. It was said they married in Culpeper Co., no record located.

John and Patsey was only son of John SR's that didn't go right to Harrison Co. IN but stopped at Crab Orchard, KY for a few years before going to IN.

Johns will was recorded in Harrison Co. IN and written 22 Dec 1840 and probated 5 Apr 1841 and recorded 13 May 1841 Book B pg 150-151. Nimrod Hurst son, executor of estate. 	William Hurst was born possibly in Culpeper Co. VA and is buried in Hursttown Burial Grounds in Harrison Co. IN. He was a miller and farmer. Complete info in Dyer book. His will was recorded Harrison Co. IN.
	William's father, John Jr and Nancy's mother Mary Hurst Dyer were brother and sister so that made William and Nancy 1st cousins.
	Not sure of son Asbury, as one was listed as b. and died 1830 but in 1850 census there is listed one Asbury age 19, which would be b. 1831, it is possible they had another son and named him the same as the one that just died. Need to check more on Asbury.

CHILD 2	- Bethsheba (Elizabeth) Hurst
	Hurst info list her name as Bethsheba as does mg record but DAR records list her name as Elizabeth. I had thought it was possible that Bethsheba was his 3rd wife and she died after 1829 and he married again to one Elizabeth who was stated as born 1804 in 1850 census and could have had two sons, Wm and Mathew. This would make more sense then Bethsheba having children so late in life. It would make more sense if the Elizabeth Hubbard was the widow of James' son John with her son Mathew and even William could be her son. Which is why the confusion on this family. I believe Bethsheba was his 3rd and last wife and she died before 1850 and just coincidence that he is listed with a person with the same name -GLT.
	Not sure how many children Elizabeth had. Hurst info has listed 8 starting from 1816 thru 1829 and just not sure this is right, Other source listed 10 which put quite a space between 1829 and 1838 and 1841. Need to do more research on this line.
	Bethsheba Hurst Hubbard was said to have been buried in the Hurst Burial Grounds with no stones As was James.

Married first (Helen) was said to have been buried in the same place (Helen) but no stones as was James.

on this list
right. Our names listed 10 years but only a space between 1825 and 1828 and 1841. Had to do more research
but sure now many children should be listed. Must have been listed 1825 but 1825 and just not sure this

person with the same name 1817

I believe Catherine was the 3rd and last wife and she was before 1820 and just considering that he is listed with a
James son John with her son William and even William could be her son. What is very the confusion on this family.
that Catherine having children to him in the 1820s makes sense if the Elizabeth Hudson was the widow of
James as John in 1820 census and could have had one son. Wm and Mary. The world is like more sons
was possible that Catherine was the 3rd wife and the other after 1820 and he married again to one Elizabeth who was
listed as born 1810 in 1820 census and could have had one son. Wm and Mary. The world is like more sons
last was listed in the census in 1820 and the record for 1820 records but we know in 1820. I had thought it

1860-70-80 not checked to date.

Martha married 2nd to R. Walts after the death of Reynard, according to the Hurst info but she was listed as Mrs Martha Kepley in her obit. so maybe that info is wrong.

Cemetery stone in Wolfe cemetery list death date as 1902. There was an obituary in the Corydon Democrat, Harrison Co. IN dated 16 Sep 1903: "Mrs Martha Kepley age 92 years died at her home in Galena, Floyd Co. IN, Wednesday September 9th of the infirmities of age.--- Widow of Rynard Kepley and Pioneer of Southern Indiana.--- Funeral held Thursday afternoon at Wolfes graveyard near Georgetown and buried there.--- Surviving children, Harbin, Augustus and Woodford Kepley. Husband	Elijah Dyer
Wife	Rhoda Hurst
Notes HUSBAND - Elijah Dyer (Continued) recorded Harrison Co. IN. DEATH: Died in Spencer Co. In and buried in the Butler/Hurst cemetery it is near New Boston, Spencer Co. In about 1/2 mile NW in woods. Tombstone: Eliza Dyer 6 Sep 1799 - 24 Nov 1862. (should be Elijah). Jean Dyer Ottumwa, IA says buried Huffman cem. There is a probate recorded Harrison Co. In for one Elijah Dyer. Book A pg 18 (don't know date and probably not this one) Hurst records say they lived in Crawford & Johnson Co's IN before moving to Spencer Co. abt 1837. Bill Hurst stated Rhoda Hurst Dyer married 2nd to William Lamar and is buried in the Bristow cem, which is near New Boston, IN in Spencer Co. IN. Jean Dyer stated she married Mr Lame, which is similar and if 1880 census is correct she was listed as Rhoda Lame. DAR records state Elijah Dyer was born in Cook co. KY but actually in Washington Co. where his parents were. DAR records say Elijah and Rhoda were buried in the Huffman cem. Bill Hurst saw their gravestones, his in Butler/Hurst cemetery and hers in Bristow cem. Jean also sent me a picture of Elijah and wife Rhoda and their dau Elizabeth when Elijah was quite elderly. No date on pic. Elijah died 1862 so was before that. CENSUS RECORDS: 1800 Washington Co. KY age 1 with parents. 1810 Washington Co. Jean sent me copy of letter written by Elijah believe to George R. Dyer and James M. Boyels. The copy is so light it is hard to make out some of it. WIFE - Rhoda Hurst

BIRTH: Hurst records, DAR records and cemetery stone.

MARRIAGE1: Not located licence. Hurst records say Harrison Co. IN.

MARRIAGE2- Was said to have md William Lamar 2nd. Jean Dyer says md Mr Lame.

DEATH: Buried in the Bristow cemetery in Spencer Co. IN Her stone was located by Bill Hurst of Newburgh, IN. Other Dyer's buried also in Bristow cemetery John W. Dyer 1856-1927; Sarah F. Dyer 1856-1935; Burt Dyer 27 Feb 1889-7 Oct 1905; Clarence Dyer 14 Jun 1884-1935; and Charlotte Dyer 4 Jul 1832- 9 Jul 1920.

Hurst info said she had 13 children. Only 12 recorded on census. Maybe 1 died inbetween census records. Have 13 listed for them if last child was Mary a dau from 1880 census with mother.

Hurst info said they moved to Crawford and Johnson Co. before moving to Spencer Co. abt 1837. Others say moved to Spencer Co. ca 1830-35.

1880 Spencer Co. IN Harrison Twp. #72/74: Rhoda Lame 76 Tn-Tn-Tn, John N. Dyer 39 IN son, Mary Dyer 23 IN dau. (not sure if Man or Mary). This may bear out she md Mr Lame and not a Lamar.

Info from Jean Dyer of Ottumwa, IA 1993/1994 had stated Rhoda md Mr Lame 2nd so maybe can find a mg record. Bio of son George R. Dyer said he was one of 13 children and 10 lived to adults. Jean has 12 listed and if Mary was her dau that would make 13.

Jean sent me copy of letter written by son James W. Dyer dated Sept 1864 Huntsville, Ala. (actually the letter was written by Isaac Chewing for James as he was too ill to write and before 13 Sep) "Respected friends, I for the first time in life to take my pen in hand ____ know we ar getting along. Dosh has bin sick ____ since I wrote to ____ I went to the doctor this morning to ast him all bout Dosh. he sed it was the remitting fever he had but he sed he was in no way dangerous and I know he is not myself. he is here in camp and can walk around myself and set up.

WIFE - Rhoda Hurst (Continued)

He says to tell mother. He is setting on the bench now you need not _____ bout him. The reason he dont wright himself is because we have a bad palce to write and he is weak and nervis. he received a letter from you last evening baring date of the 26th Aug and was gald to hear from you. He was gratly surprised to heare of the wedding but well satisfied and glad to think his sister had been so fortunate as to git as good a man as he thinks Mr Baysinger is. he wished them all the good luck and joy emaganable. -- There is a good deal of news stirring here now and some excitement. they say the rebs is going to try the 13th on. We were called out in line of battle last nite bout 11 oclock but no _____ came that I know of there ware a rite smart firing on the picket lines. But all quiet this morning. When I waked up I thought they ware fooling us and ware going to lay down again and there was another volly fired on Post No. 4. I jumped out and put on my clothes and equipment as quick as ever a man did. We was all placed in line around the fort and stood awhile and was ordered to our quarters for the night. -- Well as I am going to write a few lines in this to my respected cousin Sam and family I will close by asking Abe to take this over and let father and mother know that I am well. from James W. dyer and Isaac Chewing to Mrs Rhoda Dyer and family. Write soon and fale not. N.B. direct as before to Huntsville, Ala. 13th Ind Cav in cear of Capt Wheeler. (written by Isaac Chewing -- James died of Typhoid 13 Sep 1864 and on Sep 30 Isaac was captured and spent the rest of the war at Andersonville Prison)."

CHILD 1 - Sarah Ann "Sallie" Dyer

It appears she was first child of Elijah & Rhoda Dyer.

Find A Grave listed Sarah Ann "Sallie" Dyer Beard birth and death dates. Marriage to Hugh Hamilton Boyles 1 Jun 1843 age 17; Marriage to William M. Beard 23 Sep 1862, age 36 Spencer Co. IN.. Burial place listed Louisville, Clay co. IL , Orchard Hill Cem. (didn't find Wm there) (copy)

1st marriage dated 1843 and she had 5 children, and and by 1886 she was referred to as Sarah Beard but no date for 2nd mg and had 1 child.

Had thought she may have died before 1850 but Jean Dyer, 1903 West Finley, Ottumwa, IA 52501 has located a marriage record for her in 1843 and she was listed in brother George Riley Dyer's will in 1886 as sister and getting part of her inheritance as a sister.

Biography of George Riley Dyer also listed her as oldest sister who md Hugh Boyles. Spencer Co. In marriage records list Sallie Ann Dyer marrying Hugh Boyles 1 May 1843 then in probate records of George Riley Dyer she was listed as sister Sally Ann md to Wm Beard.

Info from Christine McCormick Apr 1996 stated Abraham S. Dyer was the attorney for Rhoda Stacy whose death was stated as 24 Dec 1886 and her husband Charles W. Stacy and her parents, William and Sarah A. Beard, filed for their share of George R. Dyer's estate, mentioned they were living in Clay Co. IL Court Order book pg 406.

1830 Sarah would be 5 yrs of age and probably with parents in Harrison Co. IN.

1840 Sarah would be 15 and haven't located parents to date.

1850 Sarah would be 25 and was md to Hugh Boyles and haven't checked census.

Jean Dyer has listed 5 Boyles children and one Beard son for Sarah. I have not checked further to date on this family. Could be 4 Boyles children and 2 Beard children though?

CHILD 2 - William Green Dyer

Hurst records, DAR and other family members. Info from Jean Dyer, Ottumwa, IA 1993/1994 listed much info on this family. I had located him in 1850 and she has located him in 1870 and 1900 census. Jean sent pictures of the old home of Wm. Green Dyer with him and wife standing outside taken abt 1900? in Iowa with son Charles R. and wife and two sons. Two other women (could be Greens 2 dau?) Also sent picture of the first house Green built in Iowa. Was removed and taken to IL few years ago, not enough money raised to put together so the logs rotted. No reason known for being moved or to where in IL. Also picture of son Charles R. and wife Melissa and son Morton when young.

Jean sent copies of letters he has written as well and some that he received.

Find A Grave internet site listed William birth and death dates, spouse Mary A. Dyer 1827-1906, pic of their monument in Troy cem. Davis Co. IA (would be Mary Ann Bassinger) (copy)

Notes	
CHILD 2 - William Green Dyer (Continued)	
1830 Harrison Co. Morgan Twp. Elijah Dyer with 2 males to age 5 (W.G. would be 3.	
1840 Not located family but William would be 13.	
1850 Spencer Co. In Harrison Twp. pg 196 #1331/1332: William G. Dyer 23 IN farmer, Mary A. 22 KY.	
1860 not checked. 1858 to 1863 Clark Co. MO.	
1870 Van Buren Co. IA Village Twp.: Wm Green Dyer 42 In, Mary Ann 40 wife, Alice 12, Rhoda F. 9, Charles 5, Eva 1.	
1880 not checked.	
1900 Van Buren Co. IA Village Twp: Wm. Green Dyer 75 IN, A. KY-PA-Ger 72 wife, 6-3 living children.	
Jean says other records show Wm Green in Clark Co. MO in 1858 and came to Iowa about 1863 (tax receipts). Probate records and obit showed he died in Bloomfield, IA at the home of his daughter Rhoda. Estate probated in Van Buren Co. Daughter Eva may be one mentioned in Geo Rileys probate papers as heir but there is no family knowledge of this child and Jean doesn't know of a tombstone.	
There was a letter written by Smith McCallister of Bristow, IN to Uncle William Green Dyer 1887. This would appear Smith's mother was a sister to Wm Dyer but no sister md a McCallister. (who is this) The only Mary listed as dau of Rhoda and Elijah was born 1857 but was living with Rhoda as dau in 1880 census. (Smith md Mary, dau of Lorenzo, bro to Wm.)	
1880 Perry Co. Anderson Twp. IN pg 9: Smith McCalister 34 In, Mary A. 25 IN, Norma A. 8 dau In, Charles L. 4 Ky son.	
CHILD 3 - Ramsey Dyer	
B.H. Hurst manuscript list Ramsey as son.	
Jean Dyer has his birth date as 1830 which would correspond with 1850 census but a sisters birth is listed as 23 Nov 1830 from cem. records and unless that date is wrong or Ramsey was born 1st part of 1830 I believe he was born closer to 1828. Another brothers birth date listed as 14 Jun 1829. Is possible but really think unlikely.	
1830 Harrison Co. Morgan Twp. Elijah Dyer has 2 males to age 5. If Ramsey was born 1828 would be age 2 if born 1830 may or may not be on census.	
1840 not located parents to date. Ramsey would be 12 or 10?	
1850 Spencer Co. In Ramsey age 20 IN with parents.	
1860-70-80 not located him in IN census. He may have died shortly after 1850.	
CHILD 4 - Lorenzo D. Dyer	
Info from B.H. Hurst manuscript as well as census and cemetery records.	
It is believe he was son of Elijah & Rhoda Dyer as he was listed in brother Geo Riley Dyers obit as deceased and some letters Jean sent listed his children and Charlotte inherited from Geo. Rileys estate as Lorenzo's widow as did his children in 1886.	
Marriage recorded Perry Co. IN.	
Also Hurst records and cemetery stone in cemetery near Bristow cemetery. Just small cemetery just out of town of Bristow Lorenzo was buried. Another stone next to his: Dora, infant dau of T.W. & Mary E. Bassinger. Not located in Find A Grave Bristow cem.	
Jean Dyer of Ottumwa, IA sent info on his family and some census records 1994.	
Lorenzo D. Dyer bought land in Perry Co. IN 19 Jun 1854 NE1/4,NE/23/4S/3W listed in the Southern Indiana Gen. Soc.

CHILD 4 - Lorenzo D. Dyer (Continued)
 Quarterly Vol XVIII #II.

CENSUS RECORDS:

1830 Harrison Co. In parents have only two sons age to 5, but that could be wrong.

1840 not located parents to date. Lorenzo would be 11.

1850 Spencer Co. Harrison Twp. IN pg 196 #1330/1331: Lorenzo not with parents.

1860 not located to date.

1870 Perry Co. Clark Twp. IN: Lorenzo Dyer, Charlotte, Mary A. 16, John W. 14, Joseph 4 and Amanda 3. Lucinda Miller 35 sister in law.

1880 Perry Co, Clark twp, IN pg 10 #80: John W. Dyer 24 IN farmer, Sarah F. 24 IN wife, Emery A. 2 son, Walter F. 11/12 Jul son.

CHILD 5 - Jane Dyer

B.F.Hurst manuscript, DAR and census records. Also cemetery stone located by Bill Hurst of Newburgh, IN. Jean Dyer of Ottumwa, IA 1994 sent same info I had, only she listed one child for Jane.

Buried in the Butler/Hurst cemetery where her father was also buried. Stone lists d. 25 Jun 1855 age 24 yrs 7 mo 2 days, calculated to 23 Nov 1830. There was a stone next to Jane's with the name J.B. Butler on it but no dates maybe husband. Cem. rec. Jane w/o John & d/o E. & R. Dyer

1830 Harrison Co. Morgan Twp. IN: Elijah Dyer has 1 female to age 5. Doubt was Jane. Prob. Sarah.

1840 not located parets to date but Jane would be abt 10.

1850 Spencer Co. IN Jane was listed with parents age 19.

1860 Spencer Co. IN prob. a dau of Jane's living with grandparents, Rhoda H. Butler age 7.

CHILD 6 - Emily Dyer

It appears she died between Jun 1886 and Jul 1888. Info from Jean Dyer of Ottumwa, IA 1994 says Spencer Co. Mg rcds listed her as md to James Harris and George Riley Dyers will mentions a George W. Harris, nephew and Geo Rileys bio listed his sister Emily as being Mrs John Masterson and also his will she was listed as such. But four divided her share: Martha Gross, George Harris, Rhoda Rinnert & Charlotte Judkins. They are probably her children and she had died by Jul 1888.

A document filed in July 1888 from estate of George Riley Dyer that John Masterson wanted his wifes share as she was deceased.

1840 not located parents to date but Emily would be abt 7.

1850 Spencer Co. IN Emily age 17 with parents.

1860-70-80 not checked

CHILD 7 - Elizabeth H. Dyer

Hurst records, DAR, and census records. DAR records say she was married to Lyman Beeman 8 Aug 1864 IN filed out by Amanda Bassinger Filkins 1878-1960 and had thought she knew who her mother married but no one else had that info so will go with what Jean Dyer of Ottumwa, IA 1994 listed as well as having children by that name & not the Beeman name (only one possiblity was she was md to Beeman between the two that Jean listed)

MARRIAGE1: 1856 to Heven Lanman Spencer Co. IN (Jean Dyer info- 3 children)

MARRIAGE2: Abt 1864 to Joseph Bassinger prob. Spencer Co? (Jean Dyer/DAR rec) 7 children. Possibly md summer

1840 not located parents to date but Elizabeth would be abt 4.	
1850 Spencer Co. IN Elizabeth age 12 with parents.	
1860 not listed with parents, was married and not checked to date.

Info from Jean Dyer has stated a letter written to Mr Lanman by Riley Dyer 1 Aug 1860 seems to be from Mary Bassinger Dyer and Elizabeth Dyer Lanman to Green and Heven in Clark Co. MO. Geo Riley Dyers bio list Elizabeth as Mrs Jos Bassinger in 1885. Geo Riley Dyers estate record lists blood nieces and nephews which includes the Bassinger children, Ella, Martha L., Viola, Amanda J. and Ada & Daniel (last two not in 1880 census). Sarah E. Stines maybe their daughter.	
CHILD 8 - George Riley Dyer Hurst, DAR, cemetery records. Also copy of Bio, estate record from Jean Dyer of Ottumwa, IA 1994.	
Find A Grave internet site listed George R. Dyer birth 14 Apr 1829 which was wrong as was 1839 and death 23 Deca 1886. , spouse Emaline Van Winkle 1846-1886, both buried Bristow, Perry Co. In, Bristow cem. A very large monument.	
MARRIAGE: Jean stated md Perry Co. IN 1863.	
DEATH: Bill Hurst of Newburgh, In found cemetery stone in the Bristow cem. Spencer Co. IN. Jean Dyer sent complete estate record of Geo. Riley Dyer which listed all his brothers and sisters, neices and nephews and what they got. It would appear he had no children by Emaline. Will was written 9 Jun 1886 in presence of Joseph R. Bradshaw & Hiram M. Lanman. Recorded Book C pg 244 Perry Co. IN 31 Dec 1886. May Term of court 1888 filed final report of George R. Dyer by Wm T. Vanwinkle, executor. Estate worth #3036.25 minus expenses of 1087.30 which left \$1948.95 to be given to heirs.	
As executor of George's estate William T. Van Winkle pays Joseph and Amanda some of the monies due them and established a trust for when they come of age and Joseph collected his initial payment on 6 Dec 1886 and Amanda collected hers 23 Dec 1887 and the document was filed May term of 1886. Christine said Wm VanWinkle really had his hands full as executor for George's estate because before the final payment on the house of George was made, the house burnt down and VanWinkle had to file with the F 7M Insurance Co. of which George had taken out a policy and VanWinkle won the case. Also on 3 May 1887 Hiram M. Lanman bought the deed to some of George's land (1 1/2 acres and part of the S.E. qt, 38 acres and part of the N.E. to the said East Qt 1/2 acre, of Sec 22 Twp 4 S, range 3. It was bounded by land conveyed by Wm T. VanWinkle to Elizabeth Lanman and to the north by a lot conveyed to McCallister. The District school was to the N.E. corner and on the west was a lot owned by the Methodist Episcopal Church.--	
George R. Dyer was made guardian of heirs of Lorenzo Dyer who died before early 1878, Joseph B. Dyer and Amanda H. Dyer in a filing made 20 Nov 1882.	
A letter dated 1887 stated his son was living with his mother in Ill. This may be the Oscar Dyer related to. Since he was only son, he would probably get the family bible. This brings up the fact that Geo was married before or not? Christine said the people who raised him was Robert F. "Frank" Whiteside and wife Francis Coplan. Believe Oscar was an illegitimate son of George as he was only married to Emeline from 1863 to her death 1886. Oscar was said to have been born ca 1877.

CHILD 8 - George Riley Dyer (Continued)	
One thing that is strange is Oscar Dyer received his largest bible and no one knows who this is. Jean received a letter from Christine McCormick from Gaithersville, MD who was descended from Oscar and said he was killed in a train crash in 1903 and he had this bible. It is possible he was George's son by a former wife? or someone else. Nothing else is known to date about Oscar. Was stated he was raised by a Whiteside family in Illinois. Christine also says she had a school book from Oscar that says Pulaski Schools but has not been able to trace it. But if he was md to Emma by 1863 and Oscar was born Nov 1877 who was his mother? Apr 1996: Received a letter from Christine McCormick, 26 Castle Court, Gaithersburg, MD 20878 about Oscar D. Dyer and said she had just been to Tell City in Perry Co. IN where she found some info on George R. Dyer and family but nothing related about Oscar. She also said Oscar put down on his marriage record that George R. Dyer was his father. Apparently nothing in George's estate about Oscar other than the bible he was to have received. 1840 not located parents to date but George would be age 1. 1850 Spencer Co. IN George R. age 11 in home of parents. 1860 Spencer Co. In George R. age 22 in home of parents. 1870 not checked to date. Prob. in Perry Co. IN. 1880 Perry Co. Anderson Twp. IN pg 2 #16: G.R. Dyer 41 IN-TN-TN farm, Emaline 37 IN-KY-KY wife Civil War Record shows he enlisted in the 49th Indiana Infantry 1 Apr 1863. If marriage date is correct he signed up the day after he was married. His bio of Perry Co. says he enlisted 22 Oct 1861 in Co. E. 49th Regt Indiana Volunteer Infantry and was discharged in Indianola, TX. 2 Feb 1865 by reason of close of war. He was taken prisoner in 1862 and paroled, came home and md Emmaline Van Winkle 1863. Two records sent from Jean Dyer shows him as Pvt. in Co. E and also Wagoner in Co. E 49th Reg. Ind Inf. One return states: Sept 1862 to Dec 1862 absent on detached service detailed with wagon train Aug 8, 1862. July 1865 /Jul 17/65 Lexington KY per order from War Dept. Aug 1865, absent on furlough Jul 20 Lexington. Volunteer Enlistment: State of Texas, town of Indianola dated 3 Feb 1864, shows he enlisted again at age 24 for three years unless discharged sooner. George was listed as having grey eyes, light hair and light complexion and five feet six inches in height. Appears to have been signed by George R. Dyer Biograhpy of George Riley Dyer in Perry Co. In History 1885, sent from Jean Dyer listed him as native of Johnson Co. IN being the 3rd of 13 children. 10 grown to adults. He list them all and lists his parents. List mg date and parents of wife. Tells of his military service. Said he followed farming as an occupation and owned 124 acres of land with good buildings. He was Republican and he and his wife were members of the Methodist Episcopal Church. All his brothers and sisters who lived to be grown were active and honorable members of the same church except one sister, Emily who belongs to the Christian Church. Jean sent copies of letters that was written to Riley by his parents in 1862.	
CHILD 9 - John N. Dyer	
Not sure what middle initial he has as been written as S., N., & W. He was listed as brother John W. in bio of George Riley Dyer 1885. But in his estate he was listed as John N. According to census records he was born abt 1841 so don't think the John in Bristow cem is this John. He was also listed in estate of George to receive a portion as "Insane brother of testator" and his guardian was Jos. Bassinger, Elizabeths husband. It would appear he was still living in 1886/1888 but not sure how much later as hadn't located any records to date of him of a later date. Joseph S. Bassinger became his guardian in 1887 pg 279 Perry Co. IN and in Nov Term 1887 pg 133 a John Dyer had been judged insane and incapable of managing his estate. Info from Christine McCormick Apr 1996 on the court ruling and also said John Dyer had a great many court rulings. 1850 Spencer Co. In John S. age 9 with parents. 1860 Spencer Co. IN John N. age 19 with parents. Listed as insane on census

1880 Spencer Co. IN John N. age 39 with mother Rhoda Lame.	
In Bristow cemetery there is one John W. Dyer 1856-1927 and Sarah F Dyer 1856-1935. don't know who these are, don't believe it refers to this JOHN.	
CHILD 10 - James W. Dyer Hurst, DAR, census records. Jean Dyer's also sent info on his service record.	
DAR records state James W. Dyer prob. died in Alabama prison while in the Civil WAR. I have not checked for Civil War records to date. Jean said he died in Huntsville, AL.	
Civil War: Enlisted in the 13th Indiana Calvary and died of fever in Huntsville, Ala. Jean has service papers and also info from the book "History of the 13th Indiana Calvary" list roster. Smith McCallister who married one of Lorenzo's daughters and Wm Beard who md Sally were also in this unit.	
Jean sent copy of a letter written to his mother Rhoda Dyer Sept 1864 from James Dyer from Alabama just before he died stated he was "glad to hear of his sisters marriage to such a good man as he thinks Mr Bassinger is" That would put the marriage abt summer of 1864. The letter was written by Isaac Chewing as said James was too weak and nervis to write. (added by Jean- James W. Dyer died of Typhoid 13 Sep 1864 and also on Sept 30 Isaac Chewing was captured and spent the rest of the war at Andersonville Prison.)	
Some info from his Civil War Records that Jean sent me: James W. Dyer 13th Ret't Indiana Cavalry appears on Company Descriptive Book as age 21 yrs height 5 feet 5 inches, hazel eyes, dark hair, born Sepncer Co. IN, farmer, term of 4 yrs. Elistment: 17 Dec 1863 Harrison IN. Remarks: Examined Jan 6/64 Died in Camp Hospt at Huntsville Ala Sept 13/64. Co. D or L?. Another paper James W. Dyer Corpl Co. L 13th Reg't, age 21 yrs, Appears on Co. Muster-out Roll dated Vicksburg Miss Nov 18, 1865. Remarks: Joined at Origl Orgn. Died in Camp Hosptial Huntsville Ala Sept 13/64 of (over-have no more) signed by Rankin. Another paper: James W. Dyer Corpl Co L. 13 Regt on Company Muster Roll for Jul & Aug 1864 as present. Remarks: Promoted from ? to Corpl Aug 29, 1864, signed by Randall.	
1850 Spencer Co. IN James W. age 7 with parents.	
1860 Spencer Co. IN James W. age 16 with parents.	
CHILD 11 - Amanda Dyer Hurst, DAR and census records. Jean Dyer doesn't have any info on Amanda.	
Would appear Amanda had died young as had first thought.	
1850 Spencer Co. IN Amanda age 4 with parents.	
1860 Spencer Co. IN Amanda not with parents. I had thought Amanda had died and still believe so as the person in the letter did refer to another Amanda.	
"in a letter written from Smith McCallister to William Green Dyer in Jun 1888 said "Mother Dyer and Amanda were still keeping batch on the old Dyer home place, neither being married yet" Which would place Amanda still in Perry Co. as late as 1888. (Jean sent copy of letter). She was not listed as an heir in May 1888 last estate filing of brother George Riley Dyer however. There was an Amanda H. Dyer who was listed as niece of George (was this a another person.) It would appear that Mother Dyer and Amanda referred to was Charlotte Dyer and dau Amanda, wife and dau of Lorenzo D. Dyer	
1870-1880 not located Amanda to date.	
CHILD 12 - Abraham S. Dyer DR. Hurst, DAR, census records. Some info from Jean Dyer also. Listed in estate of brother George Riley Dyer and also as brother in George Riley Dyers bio in Perry Co. History 1885.	
MARRIAGE: I had not located to date but Jean said he md Nancy 1875 and 2nd to Annie Spade 1889.

DEATH: Find A Grave internet site listed Dr Abraham S. Dyer birth and death, spouse Nancy Ann Minor 1846-1880 (copy) She is buried at Avery cem, Perry Co. IN.

Find A Grave of Anna Dyer listed birth and death dates and also buried at Avery cem, Perry Co. IN. (believe 2nd wife of Dr Abraham S. Dyer)

1850 Spencer Co. IN Abraham age 2 with parents.

1860 Spencer Co. IN Abraham age 11 with parents.

1870 not checked

1880 Perry Co. Anderson Twp. IN pg 36 #307?: Abran Dyer 36 IN farmer, Nancy A. 33 IN wife, Alice A. 4 In dau.

Abraham S. Dyer was attorney for Rhoda Stacy whose death was stated as 24 Dec 1886, her husband Charles W. Stacy and her parents, William and Sarah A. Beard, filed for their share of Geo. R. Dyer's estate. The document mentioned they were living in Clay Co. IL (Court Order Book, pg 406--info sent from Christine McCormick Apr 1996)

Abram S. Dyer had many files in the court as guardian of Alice E. Dyer, minor heir of Nancy A. Dyer. One dated May 1883. (one such document found in Probate Order Book #6 pg 49) Book #7 dated 1896-1900 contained the final discharge of guardianship of Alice since she apparently came of age- info sent from Christine McCormick Apr 1996)

History of Perry Co. In Anderson Twp. by James Mosby from Avery Church cemetery list Nancy A. Dyer 13 Jan 1846 - 6 Dec 1880 wife of Abram S. Dyer. Also listed Anna Dyer 17 Jul 1868 - 21 Aug 1911 (could be 2nd wife). and Carl Dyer Jul 1881 - 1885 son of A.S. & Anna Dyer. (this son was born after 1st wife died and way before he md 2nd time) Unless date of 2nd mg is wrong.

Hettie McCallister 30 Jan 1876 - 19 Sep 1908 (don't know who this is?) There were Huffs, Basham & Spencers buried there.

Who was Emily J. Purcell niece of George Riley Dyer's estate received by A.S. Dyer.

There was also Eva Dyer minor heir of myself -A.S. Dyer who recieved money from George Riley Dyers estate. To date don't know where she fits but was born before May 29 1888 when document was signed.

In a letter written by Smith McCallister said Dr Dyer was still at Hoffman's. History of Warrick, Spencer & Perry counties states that a settlement known as Hoffman Mills on river separating Spencer and Perry counties is owned by Rhoda Butlers's husband and in laws. Also stated Abraham Dyer has practiced medicine there for many years. (was this Abraham or another?)

CHILD 13 - Mary? Dyer

Not listed on 1860 census. and if same as Mary (Man) Dyer b. 1857 she should have been 3 in 1860 and was listed as 23 in 1880 census of Spencer Co. IN with mother Rhoda Lane 76 and John N. Dyer 39 son of Rhoda. If Rhoda was mother as census stated and Rhoda was 76 she would have been 53 when Mary was born.

Dear Gladys,

I have obtained some new information about the Elijah Dyer Family and want to give it to you. I have an obit for George Riley from a History of Warrick, Spencer and Perry Co. published about 1885. I also have been sent a copy of George Riley's will and probate and will send it too.

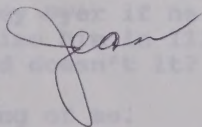

I have become more intensely involved in this line because of a letter I received from Christine McCormick from Gaithersville, Md. She is descended from an Oscar Dyer who was killed in a train crash in 1903. He was her great grandfather and the family has never known about his family except that he had a Bible he inherited from George Riley Dyer with William Van Winkle as executor of the will. Her grandmother is dead but she has a great aunt who is about 92 years old and who would like to know something about her family before she dies. Christine wrote to Grace Mellander Dyer and was given my name. I had a letter written when George Riley died that mentions "the little boy" who we think may be Oscar but we haven't quite made out just what the connection is. The will doesn't clarify it either so I have sent to try to get the entire contents of the probate in hopes of getting a clue.

I think I have sorted out the family pretty well with the help of these two documents and some further marriage and death records from Perry county. I made very good source notes but just when I copied these records for you I realized that my computer program has scrambled them again. This is the second time I have used this program and I thought I knew how to avoid that this time but no such luck. So I will just write the Source notes on the word processor. I don't know how else to do it.

I hope this is some help to you. If you have any clue about Oscar please let me know. He was raised in Illinois by a family named Whiteside. Christine doesn't seem to know much about them. She says they have a school book from Oscar that says Pulaski Schools but she had not been able to trace that either.

Hope this answers some questions for you.

Jean

Sincerely,

Nov 6, 1988

Dear Gladys,

I have obtained some new information about the Ellyer
Dyer family and want to give it to you. I have an old for
George Ellyer from a history of Warwick, Spencer and Perry
Co. published about 1885. I also have sent a copy of
George Ellyer's will and probate and will send it too.
I have become more intensely involved in this line
because of a letter I received from Christine McClellan from
Guthrieville, Md. She is descended from an Oscar Dyer who
was killed in a train crash in 1901. He was her great
grandfather and the family has never known about his family
except that he had a little boy named George Ellyer.
Dyer with William Van Winkle as executor of the will, was
grandfather is dead but she has a great aunt who is about 82
years old and who would like to know something about her
family before she dies. Christine wrote to Grace Wellender
Dyer and was given my name. I had a letter written when
George Ellyer died that mentions "the little boy" who we
think may be Oscar but we haven't quite made out just what
the connection is. The will doesn't clearly identify it either so I
have sent to try to get the entire contents of the probate
in hopes of getting a clue.
I think I have sorted out the family pretty well with
the help of these two documents and some further marriage
and death records from Perry county. I have very good
source notes but just when I copied these records for you I
realized that my computer program has scrambled them again.
This is the second time I have used this program and I
thought I knew how to avoid that this time but no such luck.
So I will write the source notes on the word processor.
I don't know how else to do it.
I hope this is some help to you. If you have any clues
about Oscar please let me know. He was raised in Illinois
by a family named Whiteside. Christine doesn't seem to know
much about them. She says they have a school book from
Oscar that says Pulaski School but she had not been able to
locate that either.
Hope this answers some questions for you.

Dear Jean,

I really appreciate all the info you sent on Elijah & George Dyer. I'm sorry I haven't answered sooner but I don't have much time in Dec to do genealogy and this year I was gone a week in Nov and my youngest daughter was here for 3 weeks in Nov and then my oldest daughter and son was here over Thanksgiving for a week so it didn't leave me any time to do genealogy in Nov. So needless to say my letter answering has gotten behind somewhat.

I have corresponded with Grace Mellander and she has done a lot on the Dyers, don't know where she fits in our line if all but has done a lot of work on them. I'm not familiar with Christine McCormick for MD. I have all the info you sent back in Apr 1993, hadn't realized it was that long ago so guess I better get busy and complete it. I had come across the name of Elizabeth Dyers first husband Lyman Beeman thru Elizabeth Bassingers daughter Amanda Bassinger Filkins DAR papers she sent into join DAR. Hadn't checked actual marriage records to date. With the 1880 census showing Elizabeth with Jos. Bassinger and step children with the name Lanman, would appear her husband was not who the daughter said. Seemed to me at the time she would have known who her mother was married to first and my date of 8 Aug 1864 would also fit. (Can't lay my hands on the DAR papers right now). Would have thought I had them with the Hurst or Dyer family but not locating them. They will show up one day when least expected I guess.

Anyway the info on George was very helpful as I hadn't come across that info. Once I get this together will send you updated info and make sure we have it right.

The info on Oscar makes sense but like you I have never come across any reference to him. It does seem strange he would have a bible from George Riley Dyer if he wasn't related but why would the Whiteside family raise him in Ill? Sure leaves a lot of questions to be answered doesn't it?

Thanks again for thinking of me.

Sincerely,

Dear Jean,

I have gathered up what I have on Elijah Dyer, which isn't much as you can see, maybe you can fill in the blanks? I have enclosed some of what I have on Charles and Mary Hurst Dyer and William and Nancy Hurst Dyer.

The book was done back in 1979 mostly for the Crandall family and it is not well done but have improved since then. I have done a lot more since as well but they wanted what I had at the time so went ahead and printed it but it wasn't to my liking but gives you an idea of some info anyway.

I will appreciate what you have on William Green Dyer's family on down if you have it. I can send you my line if you are interested at a later date. Let me know.

Grace has done a lot on Dyer's however I don't think she is from our line, at least from what we know to date. How did you come in contact with her?

I have been working on my family lines since 1969 and have a lot on some and not much to nothing on others. I usually work on my direct line but if am where there is info on others will also do that as well, which is why I have info on some and not others.

Hope this info helps you and if I can help more let me know.

Sincerely your cousin,

April 12, 1993

Dear Gladys,

It was good to get your big package of info today. I have been going over it since it came and finding so much of interest. And many puzzles that perhaps we can figure out together.

I do have problems tho. I haven't worked on the Dyer line for some time and I find that I cannot remember what I did with my collection of census data for any of the families. I know it is here somewhere but for now it is gone. I am sure it will surface but probably only after I have done it all over again.

My second problem is that I have made a glitch in my computer program. I had Jane Dyer in at MRIN 50. I opened her to enter the death date you gave me and now I have her under MRIN 19744. About fifty times. And I cannot bring her up under that number. When I try it just goes back to the menu. The only way I can get the rest of the family or the original Jane #50 is to bring up George Riley. I am afraid to try too much to get her off because I scrambled all my names once and had to start over. So for the present I am just going to leave her there and wait for my daughter who is my computer consultant to come home.

But I can discuss the differences in our printouts. I have as Elijah's first child, Sally Ann. I found her in Spencer Co. Marriages records 1818-1855 marrying Hugh Hamilton Boyls. I think he probably died and she married a man named Beard. They are referred to in the letters I am sending you. They also mention a daughter of Aunt Sally, Rhoda Stacy, who died Dec 24, 1886. I of course have no proof but it seems logical from the letters that Sally was a sister of William Green.

I don't have a Lorenzo on my list but he might have been married and out of the home by the 1850 census. Elijah mentions a Lorenzo and family in his letter to George Riley in 1863. He says he hasn't seen him for some time because the creek is so high. I will have to go back to the Spencer Co. Census and see if I can find him. The later letters don't mention him. I don't find any mention of Ramsey except in the 1850 census.

In the 1880 census I found Jos Basinger with wife Elizabeth in Clark township, Perry co. In. The age is right for Elizabeth Dyer and I always thought she was William Green's sister. But they have three Lanman children listed

as step children. In the letter George Riley wrote to William Green and Mr Lanman he speaks of Mary and Elisebeath Lanman and the implication is that he is writing to the husbands for their wives. This would be while Green was in Clark Co. Mo. The marriage records show Elizabeth Dyer Marrying Hevem Lanman, 14 Dec 1856. The census record would seem to indicate that Jos. Basinger had also been married and had children and after their spouses died, Elizabeth and Jos had married and had children.

The marriage records also show Emily Dyer married James P. Harris 23 Jan 1851. I didn't add this marriage to my group sheet because I was not sure it was the right one.

I have the service records for Riley and James. James died of typhoid at Huntsville, Alabama. I also have a book about the 13th Indiana Cavalry in which he is listed. Riley's birthplace is gives as Johnson Co. In. James is listed as born in Spencer Co. Indiana

Amanda is described as "keeping batch" with Mother Dyer at the old home place in the letter from Smith McAllister dated 1888 but you show Rhoda as dying in 1886. I show her as dying in 1866 but I don't know where I got that. In one of the lost census forms (1880) I also found a John Dyer, farmer, living with his mother Rhoda Lane who had the right numbers to be Rhoda Dyer. They also had a Mary Dyer with them listed as Rhoda's daughter. I think she was 23 Years old. I has never heard of a Sarah.

I am sending you a picture of Elijah, Rhoda and Elizabeth. Also one of William Green and Mary with their children. We don't know who the two women in the center are but maybe since there seemed to be some Family in Jefferson Co. you might recognize them from old pictures you might have. The log house is the second one that Green built on his farm in Van Buren Co. David's grandfather, father and he were all born on this farm.

Rhoda was a bit old to have a 23 year old daughter in 1880. She would have been 53. She would have been 42 when Abraham was born which is more realistic.

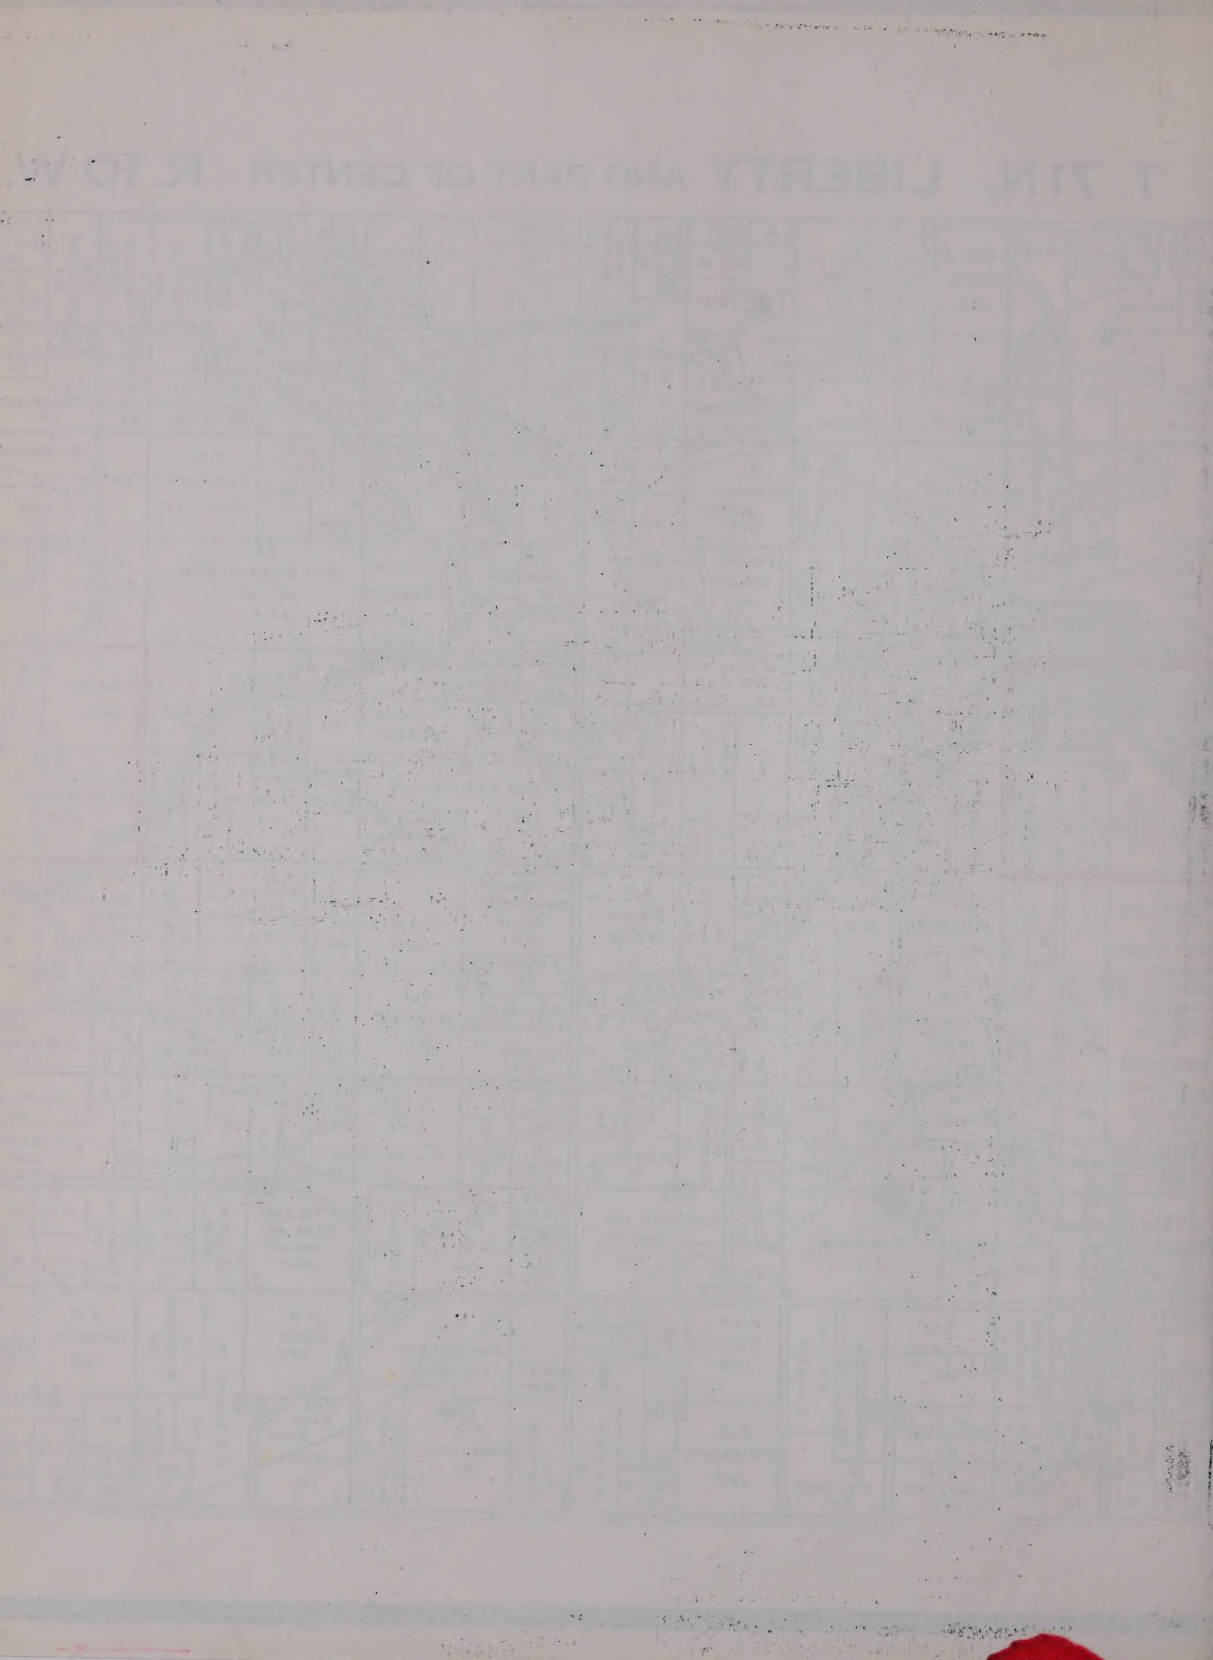

I suppose what I need to do is to send for probate records for Riley and Elijah. Also find my census records. I know I found Abraham and a family in Perry County in 1880. Also Smith McAllister and Adeline. I know she must have been a niece of Riley and Green. Maybe a child of Lorenzo? The probate should tell.

Thank you again for all you sent me. I will send you copies of the letters and hope you can make some sense out of them. And I will try to get rid of my fifty Jane Dyer's without wiping out my whole program. Wish me luck.

Jean.

I found my census records. They were right under my elbow. I still have the 50 pages

HUSBAND - Hugh Hamilton Boyles

Jean Dyer of Ottumwa, IA listed marriage of Hugh H. Boyles to Sarah Dyer in 1843. Stated he may have died abt 1885. As 1886 Sarah was listed as wife of Wm. Beard and had a son so he may have died closer to 1883-4.

WIFE - Sarah Ann "Sallie" Dyer

It appears she was first child of Elijah & Rhoda Dyer.

Find A Grave listed Sarah Ann "Sallie" Dyer Beard birth and death dates. Marriage to Hugh Hamilton Boyles 1 Jun 1843 age 17; Marriage to William M. Beard 23 Sep 1862, age 36 Spencer Co. IN.. Burial place listed Louisville, Clay co. IL, Orchard Hill Cem. (didn't find Wm there) (copy)

1st marriage dated 1843 and she had 5 children, and by 1886 she was referred to as Sarah Beard but no date for 2nd mg and had 1 child.

Had thought she may have died before 1850 but Jean Dyer, 1903 West Finley, Ottumwa, IA 52501 has located a marriage record for her in 1843 and she was listed in brother George Riley Dyer's will in 1886 as sister and getting part of her inheritance as a sister.

Biography of George Riley Dyer also listed her as oldest sister who md Hugh Boyles. Spencer Co. In marriage records list Sallie Ann Dyer marrying Hugh Boyles 1 May 1843 then in probate records of George Riley Dyer she was listed as sister Sally Ann md to Wm Beard.

Info from Christine McCormick Apr 1996 stated Abraham S. Dyer was the attorney for Rhoda Stacy whose death was stated as 24 Dec 1886 and her husband Charles W. Stacy and her parents, William and Sarah A. Beard, filed for their share of George R. Dyer's estate, mentioned they were living in Clay Co. IL Court Order book pg 406.

1830 Sarah would be 5 yrs of age and probably with parents in Harrison Co. IN.

1840 Sarah would be 15 and haven't located parents to date.

1850 Sarah would be 25 and was md to Hugh Boyles and haven't checked census.

Jean Dyer has listed 5 Boyles children and one Beard son for Sarah. I have not checked further to date on this family. Could be 4 Boyles children and 2 Beard children though?

Husband William "Billy" Beard
Wife Sarah Ann "Sallie" Dyer

Notes

HUSBAND - William "Billy" Beard

Info from Jean Dyer of Ottumwa, IA 1993/1994. Listed as living in Bristow, Perry Co. from a letter in 1887 with Smith and Adeline McCallister with them.

WIFE - Sarah Ann "Sallie" Dyer

It appears she was first child of Elijah & Rhoda Dyer.

Find A Grave listed Sarah Ann "Sallie" Dyer Beard birth and death dates. Marriage to Hugh Hamilton Boyles 1 Jun 1843 age 17; Marriage to William M. Beard 23 Sep 1862, age 36 Spencer Co. IN.. Burial place listed Louisville, Clay co. IL, Orchard Hill Cem. (didn't find Wm there) (copy)

1st marriage dated 1843 and she had 5 children, and and by 1886 she was referred to as Sarah Beard but no date for 2nd mg and had 1 child.

Had thought she may have died before 1850 but Jean Dyer, 1903 West Finley, Ottumwa, IA 52501 has located a marriage record for her in 1843 and she was listed in brother George Riley Dyer's will in 1886 as sister and getting part of her inheritance as a sister.

Biography of George Riley Dyer also listed her as oldest sister who md Hugh Boyles. Spencer Co. In marriage records list Sallie Ann Dyer marrying Hugh Boyles 1 May 1843 then in probate records of George Riley Dyer she was listed as sister Sally Ann md to Wm Beard.

Info from Christine McCormick Apr 1996 stated Abraham S. Dyer was the attorney for Rhoda Stacy whose death was stated as 24 Dec 1886 and her husband Charles W. Stacy and her parents, William and Sarah A. Beard, filed for their share of George R. Dyer's estate, mentioned they were living in Clay Co. IL Court Order book pg 406.

1830 Sarah would be 5 yrs of age and probably with parents in Harrison Co. IN.

1840 Sarah would be 15 and haven't located parents to date.

1850 Sarah would be 25 and was md to Hugh Boyles and haven't checked census.

Jean Dyer has listed 5 Boyles children and one Beard son for Sarah. I have not checked further to date on this family. Could be 4 Boyles children and 2 Beard children though?

CHILD 1 - Rhoda Beard

Info from Jean Dyer of Ottumwa, IA 1993/1994. Listed Abraham Beard in estate of George Riley Dyer as nephew receiving his portion as heir, but never mentioned a daughter Rhoda Beard Stacy. When William Green Dyer was notified of George Rileys death the letter mentioned Aunt Sally's dau, Rhoda Stacy who died Dec 1886 and Rhoda Stacy was also listed in the probate of Geo. R. Dyer as deceased and were trying to find her heirs. However Jean said Rhoda was dau of Sarah and her first husband where as Christine has info from doc, she was dau of her second husband, depending on how you read the document.

Info from Christine McCormick, Apr 1996 said Abraham S. Dyer was the attorney for Rhoda Stacy whose death was listed as 24 Dec 1886 and her husband Charles W. Stacy and her parents, William and Sarah A. Beard, filed for their share of George R. Dyers estate, mentioning they lived in Clay Co. IL Court Order Book, pg 406. So maybe there were two children but Rhoda had died and her husband wanted her share.

CHILD 2 - Abraham L. Beard

Info from Jean Dyer of Ottumwa, IA 1993/1994. Listed in estate of George Riley Dyer as nephew receiving his portion as heir.

CHILD 5 - Abigail L. Beard
Info from Jean Dyer of Ottumwa, IA 1993/1994. Listed in estate of George Riley Dyer as nephew receiving his portion of estate.

Info from Christine McCormick, c. 1990 and Abigail L. Dyer was the attorney for Rhonda Stacy whose death was listed as 24 Dec 1980 and her husband Charles W. Stacy and her parents, William and Sarah A. Beard, filed for their share of George R. Dyer's estate, mentioning they lived in Clay Co. IL Court Clerk book pg 406. Do mention their sons two children but Rhonda had died and her husband married her again.

HUSBAND - William Green Dyer

Hurst records, DAR and other family members. Info from Jean Dyer, Ottumwa, IA 1993/1994 listed much info on this family. I had located him in 1850 and she has located him in 1870 and 1900 census. Jean sent pictures of the old home of Wm. Green Dyer with him and wife standing outside taken abt 1900? in Iowa with son Charles R. and wife and two sons. Two other women (could be Greens 2 dau?) Also sent picture of the first house Green built in Iowa. Was removed and taken to IL few years ago, not enough money raised to put together so the logs rotted. No reason known for being moved or to where in IL. Also picture of son Charles R. and wife Melissa and son Morton when young.

Jean sent copies of letters he has written as well and some that he received.

Jean says other records show Wm Green in Clark Co. MO in 1858 and came to Iowa about 1863 (tax receipts). Probate records and obit showed he died in

Bloomfield, IA at the home of his daughter Rhoda. Estate probated in Van Buren Co. Daughter Eva may be one mentioned in Geo Rileys probate papers as heir but there is no family knowledge of this child and Jean doesn't know of a tombstone.

There was a letter written by Smith McCallister of Bristow, IN to Uncle William Green Dyer 1887. This would appear Smith's mother was a sister to Wm Dyer but no sister md a McCallister. (who is this) The only Mary listed as dau of Rhoda and Elijah was born 1857 but was living with Rhoda as dau in 1880 census. (Smith md Mary, dau of Lorenzo, bro to Wm.)

COPY OF A LETTER TO William green Dyer, June 29, 1888
from Smith Mcallister and Adeline from Bristow, In.

Bristow, Ind June 29, 1888

Mr W.G.Dyer

Dear Uncle and

family

Your card bearing the Leando post mark of 23rd inst recd. and you may rest assured that we were both surprised and made glad at the same time. Surprised at getting even a card from you and glad to hear from you and to hear you were all well and glad to hear that things look so well there. We are all as well as usual. I have suffered a great amount of pain with my leg during the last 9 months and have been worse since last October and have been worse ever since with no prospect of ever being better. I have been thinking very seriously of having it taken off when the weather gets cool if it does not get better by that time; nevertheless it looks like a big undertaking, but when man suffers a certain amount of pain he becomes in a degree desparate and I believe I have very nearly reached that point. I try to bear mine afflictions with patience and Christian courage and my constant prayer is Lord reconcile me to the despensation of the providence in all things. Yet I fear I am not at times as patient in tribulation as I should be. The Psalmist says many are the afflictions of the righteous but the Lord delivereth him of them all.

What few of the connection is left here is well. There is but few of us left since Uncle Sam moved away. I got a letter from him yeaterday they were all well when the letter was written. He seems to be pretty well satisfied with this new home and is talking of investing pretty heavily in town lots in Coldwater. He says the farmers there claim their wheat will yield from 30 to 40 bushels per acre. He says corn looks well there. Millard Lanman has moved down in Sences county at a little place on the Cannelton and

Gentryville Railroad called Lamar Station. He is building a house and says he is going into business there but did not say what line of business he would engage in.

Mother Dyer and Amanda is keeping batch on their old home place neither being married yet. Dr. Dyer is at Hoffman's yet- I have not seen him since Decoration Day but presume he is all right. Riley Huffman has bought the old Dyer Homestead but have not heard how much he gave for it. I suppose you have heard thet old Emily Masterson is dead. Dave Whitten and Martha Hews has been acquitted of the charge of stealing Mrs. Huffman's money. notwithstanding the evidence was against them. I heard the prosecuting witness say he was in the post office when they took the money.

Wes Dyer lives in Tell City he is logging and Joe Dyer is in Kansas. Wm. VanWhinkle has made his final settlement in regard to Uncle Riley's estate. Well, how do you like Harrison and Morton? What has become of the murderers of the Rev. George Haddock of your state? Is the Prohibition Party strong enough in Iowa to carry the state this fall? How is the cause of our redeemer prospering in your vicinity? Religion seems to be at a very low ebb here now it just seems as if the people here think about everything else but their salvation. The devil seems to have complete sway and is running things to suit himself, he has already got his bills up announcing that there will be a "Grand Picnic abd Ball at Bristow on Julythe 4th 1888 dancing to begin at 9 oclock A.M." It reminds me of the land of Sodom and Gomorrow in the day of Lot. For it is the Sodomites vexed lots righteous soule from day to day; it is enough to vex an old man to behold the wickedness that is practiced here in Bristow and may God deliver me and mine from the ways of the ungodly. So I will close for this time hoping to hear from you soon give my love and best wishes to the children and remember me in your prayers. As ever yours Smith M. McCallister

ON THE BACK OF THIS LETTER WAS ONE FROM adeline mccallister
as follows

to get a large letter from you all I would like to see you

so good bye to all Adeline McCallister

written down the side

(write soon as you get this give my love and respects to
all inquiring friends

In a few days I will send you by mail a momento that grew
in the dooryard at Uncle Riley's

Bristow Ind jan. 21, 1887

Mr. Wm. G. Dyer, Dear Uncle, You may be somewhat surprised to get a letter from me, but I write it by request of Aunt Emma Basinger in answer to a letter that she rec'd today from Charles R. Dyer bearing date of Jan 15th, from the fact she had this date mailed one to you before getting the one that I am answering. We are all tolerable well at this time with the rest of the relation. Uncle Billy and Aunt Sally Beard is now at my house. Charles in his letter asks this question, "Where is Aunt Emma and their little boy?" From the best information that I can obtain Aunt Emma is safely housed with the redeemed and sanctified shouting the praises of God and the Lamb for she died on the 23 of last March in the triumph of the living faith, leaving the evidence that she was going home to glory and to God. And in just nine months to a day from her death Uncle Riley died shouting "Glory to God". There have been 2 or 3 letters written you informing you of the death of Aunt Emma but it seems you did not get them. And as regards the little boy he lives with his mother in Illinois, she having sent for him soon after Aunt Emma died. It is my sad duty also to inform you of the death of Rhoda Stacy, daughter of Aunt Sally who died Dec. 24, 1886 so you see we are left to mourn the loss of those who are near and dear to us according to the ties of nature, but thank God we do not mourn as those who have no hope for our hope enters to that within the vale whither our Forerunner for us hath entered. For blessed are the dead that die in the Lord. Charles intimated in his letter that you were contemplating coming in soon. Do come soon while Aunt Sally is here. Our protracted meeting begins here on the night of Feb. 8, please come over and help us. Aunt Sally says she will stay 2 or 3 weeks yet in order to get to see you provided she gets no bad news from home.

Uncle Riley's property will be sold Feb. 22, 1887.

Would like to inform you of the stipulations of his will but have not room. Wm. T. Van Winkle being the executor.

So I will close please write soon and tell me about what time you will be here.

Respectfully yours,

Smith McCallister

LETTER TO GREEN DYER FROM W.T.VSNWINKLE, OCTOBER 12,1888

Bristow, Ind. Oct. 12, 1888

Mr. W.G.Dyer

Dear Sir, I recieved your card of the 6st inst. today in which yoy requested me to send your note to you. I will do so by enclosing it with this letter. I sent it on the 13th day of last July in registered letter to you as you requested and it remained in the post office at Doud's Station about three months and was returned to me. It seems strange to me that you did not go there and inquire foe it as brother Abe tells me he directs his letters to Doud's Station. That letter cost 12 cents in postage stamps, this one will cost two cents in stamps. I have also written several other letters and cards to you about this matter. So think it is no more than fair and right for me to keep the 80 cents in change for my expense and the trouble and the interest on \$19.80 for two months which i paid into court about the 7th of May and did not get from you for 2 months. I do think you have put me to a great deal more trouble than neccessary and I claim the 80 cents is justly due me. If you think otherwise please let me know as I want no more than what is right.

Yours Truly

W.T.Van Winkle

Alice Dyer Carroll

Birth: 1856
Death: 1935

Mrs. John M. Carroll

Alice Jane Dyer, daughter of Wm. G. and Polly Ann Dyer. Was born near Troy, Indiana on December 29, 1856 and departed this life at the home of her daughter, Mrs. D. C. Nicklin in Selma, Iowa December 28 1935, at the age of 78 years, 11 months and 29 days.

She came to Iowa with her parents when but five years of age. The family settled near the Van Buren-Davis county line in which neighborhood she spent her entire life.

In her early girlhood while attending protracted meetings being conducted by Rev. S. S. Stewart, at what was known as the Rosser school house near her home, she was converted and later united with the White Elm Free Methodist church. To her, life on earth was only a preparation for a greater life in the beyond, and her entire life was lived according to this principle.

She attended the rural schools, the Memphis Normal, the Birmingham Academy, and later taught in the public schools of Van Buren county.

On March 4, 1880 she was united in marriage to John M. Carroll, of Davis county. Their first home was established in what was then known as Portland, now Leando. Later they moved across the river to Douds. In the spring of 1882 the home was re-established on the old Carroll homestead, four miles southwest of Selma, in which neighborhood she and her husband continued to live until the time of his death April 8, 1922. Three years later she left her old home to make a new home with her daughter, Mrs. D. C. Nicklin and husband, of Selma.

She was the mother of five children, all of whom are now living. In the order of their ages they are: H. B. Carroll of Keosauqua; Mrs. D. C. Nicklin of Selma; W. K. Carroll of Ottumwa; Mrs. Ira Lasley of Selma; and C. C. Carroll of Selma. She also leaves nine

grandchildren.

Funeral services were held at the White Elm church Monday, Dec. 30th at 11 o'clock, directed by Rev. H. N. Dickson of Ottumwa, assisted by Rev. Bruce Myers of Eldon. Burial was in the Troy cemetery.

Goodbye Emma

At 112, Ottumwa woman was the state's oldest

By MARK NEWMAN Courier staff writer

OTTUMWA — Ottumwa has lost a treasure.

Emma Carroll died early Tuesday morning at 112 years of age. According to the Iowa Department of Elder Affairs, she was the oldest person in Iowa. She had been a resident of Vista Woods Care Center in Ottumwa since she was 105.

Carroll, born on May 18, 1895, was also listed as the 10th oldest "validated" person in the United States by the Gerontology Research Group's Web site, and, at the time of her passing Tuesday, was listed as the world's 22nd oldest validated human being.

She has been a frequent subject of media coverage, and a grandson in Pennsylvania — with grandchildren of his own — has a site on the Internet dedicated to her.

But if someone wanted to know about Carroll family history, they wouldn't go to the Internet.

"She had a keen memory, and if we wanted to know anything, we'd get ahold of Aunt Emma," said her nephew, Dick Carroll, 85, Ottumwa. "It's amazing she had a memory like she had."

She could recall dates, names and places, he said, especially about relatives.

"She loved her family, loved her kids, grandkids, nieces and nephews; she was very special to all of us," Dick Carroll said. "She had a great life — she was just a neat lady."

"To everyone here, to everyone she met, really, she touched their hearts," said Vista Woods Activity Director Julie Meldrum. "We were blessed to have her here."

Meldrum said she's proud she was able to help Carroll with one of her few unfulfilled goals.

You went for a ride in a hot-air balloon at age 109. That showed courage! You were not a stereotype, you did things your way. To live to 112 years is an honor.

"The one thing she mentioned she really wanted to do was a hot air balloon ride," she said.

Carroll entered the record books in 2004 when she became the oldest person to take a hot air balloon flight. There's a framed certificate from the Guinness Book of World Records at the care center.

Staff at Vista Woods said she even received out-of-state requests for autographs on two occasions.

Carroll was still keeping busy when interviewed by the Ottumwa Courier less than six months ago, helping out twice a week by folding laundry at the care center.

"I like to work and work with my hands. It keeps [them] so I can use them, keeps them limber," she said, flexing her fingers. "I think work doesn't hurt anybody."

Dear Gladys,

Thank you so much for the book. It looks great. You were right about always being a bit out of date everytime you do something. I have some clarifications and additions that I will send. But I think you should add the family group sheets and offer it for sale, maybe through the Dyer Search. I'll bet there are a lot of people who would be interested. If you do this, feel free to use anything I have sent you and I will send you more if you like. I am including the Carroll family group sheets and the rest for us including our latest GGson who was born Friday.

I am sorry I didn't send more when I wrote before, especially the census that I have. The 1870 census for Spencer Co. shows Rhoda Dyer age 56 living with son John age 19. No mention of Mary. Do you suppose that if Rhoda remarried during the next decade that Mary might have been a stepdaughter? I am going to order a microfilm of Spencer Co. marriages and deaths that might throw some light on the subject. I am inclined to think that Bill Hurst's information is correct about Rhoda marrying a Lamar. There are a lot of Lamars in the area but I found no Lame. This might have been a mistake of the census taker. Also George Riley's army papers say he was born in Johnson Co. in 1839 and James was born in Spencer Co. in 1843. They might have been in Johnson Co. at the time of the 1840 census and that is why we haven't found them.

On page 5- Smith McCallister was married to Adeline, d/o Lorenzo.

Page 8 History of Warrick, Spencer and Perry Co. states that John Hoffman married Rhoda Butler, only child of John Butler. I have had this atlas with Rhoda's picture for several years but didn't realize that the Rhoda Hoffman shown was Rhoda Butler.

Page Nine - A letter written for James Dyer from Alabama just before he died states he is "glad to hear of his sister's marriage to such a good man as he thinks Mr Bassinger is". I would place the marriage of Elizabeth and Jos Bassinger as mid summer of 1864.

Page 10 - Oscar was born in Nov 1877 long after George Riley married Emmaline. I don't believe that he was GR son at all. My theory is that Oscar was born to Sarah Bassinger Stine. She would have been 12 or 13 years old at the time. GR & Emmaline had no children of their own so they took him in to raise. But Emmaline died. Sarah was older now and married to Daniel Stine so she took him back from GR. He would have been nine or ten at this time. This might have made old GR mad enough to write her out of the will and not let her have her \$10.

Page 13 -Smith McCallister says in a letter that "Dr Dyer is still at Hoffman's". History of Warrick, Spencer and Perry counties states that a settlement known as Hoffman Mills on river separating Spencer and Perry counties is owned by Rhoda Butler's husband and in laws. It further says that Abraham Dyer has practiced medicine there for many years. Our Abraham is always listed in the census as a farmer. Do you suppose there were two Abrahams?

Pages 15 & 16. I am sending group sheets for both Alice and Rhoda Carroll. They married brothers who were also brothers of the first Iowa born man to be governor of Iowa from 1909 through 1913. Rhoda's husband Charles Carroll died in 1905 and she remarried his business partner James Roach. This apparently caused the other Carrolls great pain and I have several letters from Rhoda and her new husband to Their brother Charles when he was settling William Green's estate complaining about how Alice and John are treating them. Rhoda had one son Wilbur by Charles Carroll. He had no children and when his wife died in 1980 her will left the estate to cousins and nieces and nephews. I have all those papers listing the heirs. We also received about \$15,000 from the estate.

I didn't realize until now that I don't have the 1880 census for William Green either. The microfilm we have in our Library is Wapello County and only accidentally has part of Van Buren County on it. I will need to either buy the 1880 film or go to Keosauqua Library in Van Buren co. to see it there.

I am not sure just what I have sent you of the letters. If you decide to do the book let me know and I will send you a list of what I have and send you the rest. I also plan to send you a list of what I call my left over Dyers that I have collected from Indiana so you may be able to slot them into some of the other families. I think it would be great to follow all the other lines. I tried to find Letitia here in Wapello county and did find her but I found no death or burial record. Her husband and a couple of children were here for a few years I think and then moved on. I can try to follow up on that family if you like.

Do you know Phyllis Lindenmeyer from South Carolina. She wrote to me after my info came out in the Dyer Search. She is descended from Jonathon Dyer through Nimrod. She also sent me some Hurst line back to about 1530 in Bucks Co, England, Christopher Hurste and Joan Benchley/Bletchley. If you don't have that I will send it. Phyllis Address is
1902 Pine Lake Drive
W.Columbia, SC 29169

Thank You again for the book and for all the help you have given me. If there is anything I can do to help you please let me know.

Sincerely
Jean

Jean

I will send the group sheets later. I want to talk to Noble Carroll just. I have just found out that his mother who is 100 years old was a Lanman which is interesting. I saw her at the funeral home when Noble's wife died last fall and she is still sharp and gets around all night except a little deaf.

LETTER

Mr. **Wm. G. Dyer**, Dear Uncle,

Bristow, IN Jan. 21, 1887

You may be somewhat surprised to get a letter from me, but I write it by the request of **Aunt Emma Basinger** in answer to a letter that she rec'd today from **Charles R. Dyer** bearing the date of Jan. 15, from the fact that she had this date mailed one to you before getting the one that I am answering. We are all tolerable well at this time with the rest of the relations. **Uncle Billy** and **Aunt Sally Beard** is not at my house. Charles in his letter asks this question, "Wher is **Aunt Emma** and their little boy?" From the best informationy that I can obtain, Aunt Emma is safely housed with the redeemed and sanctified shouting the praises of God and the Lamb, for she died on the 23 of last March in the triumph of the living faith, leaving evidence that she was going home to glory and to God. And in just nine months to the day from her death, **Uncle Riley** died shouting "Glory to God". There have been two or three letters written to you informing you of the death of Aunt Emma but it seems you did not get them. As regards the little boy, he lives with his mother in Illinois, she having sent for him as soon as Aunt Emma died. It is my sad duty also to inform you of the death of **Rhoda Stacy**, daughter of Aunt Sally, who died Dec. 24, 1886, so you can see were are left to mourn the loss of those who are near and dear to us according to the ties of nature, but thank god we do not mourn as those who have no hope for our hope enters to that within the vale whither your Foreruner for us hath entered. For blessed are the dead that die in the Lord. Charles intimated in his letter that you were contemplating coming in soon. Do come soon while aunt Sally is here. OUR protracted meeting begins on the night of Feb. 8, please come over and help us. Aunt Sally says she will stay 2 or 3 weeks yet in order to get to see you provided she gets no bad news from home.

Uncle Riley's property will be sold Feb. 22, 1887. Would like to inform you of the stipulations of his will but will not have room. **Wm. T. Van Winkle** being the executor.

So I will close please write soon and tell me about what time you will be here.

Respectfully yours,
Smith McCallister

HUSBAND - James R. Harris

Info from Jean Dyer of Ottumwa, IA 1994. Believe they may have had 4 children. By 1885 she was married to John Masterson but don't know if James died.

WIFE - Emily Dyer

It appears she died between Jun 1886 and Jul 1888. Info from Jean Dyer of Ottumwa, IA 1994 says Spencer Co. Mg records listed her as md to James Harris and George Riley Dyers will mentions a George W. Harris, nephew and Geo Rileys bio listed his sister Emily as being Mrs John Masterson and also his will she was listed as such. But four divided her share: Martha Gross, George Harris, Rhoda Rinnert & Charlotte Judkins. They are probably her children and she had died by Jul 1888.

A document filed in July 1888 from estate of George Riley Dyer that John Masterson wanted his wifes share as she was deceased.

1840 not located parents to date but Emily would be abt 7.

1850 Spencer Co. IN Emily age 17 with parents.

1860-70-80 not checked

Husband **Heven Lanman**

Wife **Elizabeth H. Dyer**

Notes

HUSBAND - Heven Lanman

Info from Jean Dyer of Ottumwa, IA 1994 states she md Heven Lanman 14 Dec 1856 Spencer Co. IN and had 3 children. He may have died and she md Joseph Bassinger by 1864-5.

DAR records had listed her husband Lyman Beeman md 8 Aug 1864 IN but no one has this info so for now will think the daughter made a mistake in name.

In a letter written by someone in the Elijah Dyer family mentioned the Lanman family.

WIFE - Elizabeth H. Dyer

Hurst records, DAR, and census records. DAR records say she was married to Lyman Beeman 8 Aug 1864 IN filed out by Amanda Bassinger Filkins 1878-1960 and had thought she knew who her mother married but no one else had that info so will go with what Jean Dyer of Ottumwa, IA 1994 listed as well as having children by that name & not the Beeman name (only one possibility was she was md to Beeman between the two that Jean listed)

MARRIAGE1: 1856 to Heven Lanman Spencer Co. IN (Jean Dyer info- 3 children)

MARRIAGE2: Abt 1864 to Joseph Bassinger prob. Spencer Co? (Jean Dyer/DAR rec) 7 children. Possibly md summer of 1864.

DEATH: DAR records say OK. Death certificate from dau Amanda list Elizabeth and Joseph as her parents. Jean also agrees died El Reno, OK.

1840 not located parents to date but Elizabeth would be abt 4.

1850 Spencer Co. IN Elizabeth age 12 with parents.

1860 not listed with parents, was married and not checked to date.

1870 not checked

1880 Perry Co. Clark Twp. IN pg 5 #38: Jos. Bassinger 48 Ky farmer, Elizabeth 43 IN wife, John H. 20 IN son, Harden 18 In son, Sarah E. 14 IN dau, Ella A. In dau, Martha L. 7 In dau, Viola M. 4 dau, Amanda J. 1 dau, John A. Lanman 21 stepson Mary C. Lanman 12 step dau, Hiram M. 17 stepson. #39 John Basinger 25 In, Mary 23 In wife, Leb B. 2 son, Joseph 8/12 In son.

Info from Jean Dyer has stated a letter written to Mr Lanman by Riley Dyer 1 Aug 1860 seems to be from Mary Bassinger Dyer and Elizabeth Dyer Lanman to Green and Heven in Clark Co. MO. Geo Riley Dyers bio list Elizabeth as Mrs Jos Bassinger in 1885. Geo Riley Dyers estate record lists blood nieces and nephews which includes the Bassinger children, Ella, Martha L., Viola, Amanda J. and Ada & Daniel (last two not in 1880 census). Sarah E. Stines maybe their daughter.

CHILD 1 - John A. Lanman

Info from Jean Dyer of Ottumwa, IA 1994.

1880 Perry Co. In census list John A. Lanman age 21 as stepson of Jos Basinger & wife Elizabeth 43 IN.

CHILD 2 - Mary C. Lanman

Info from Jean Dyer of Ottumwa, IA 1994.

1880 Perry Co. In census list Mary C. Lanman age 12 as stepdau of Jos Basinger & wife Elizabeth 43 IN. This would put her birth at 1868 which was a few years after Elizabeths marriage to Joseph as their first child was born abt 1866. Mary was listed between John and Hiram in census so maybe her age of 12 was wrong which would make more sense. Her age probably abt 19, born 1861.

Also listed in estate of George Riley Dyer 1886.

CHILD 3 - Hiram M. Lanman

Info from Jean Dyer of Ottumwa, IA 1994.

1880 Perry Co. In census list Hiram M. Lanman age 17 as stepson of Jos Basinger & wife Elizabeth 43 IN.

1880 Perry Co. In census for John M. Lannon age 17, he is listed as Jos. Basinger. A wife Elizabeth 43 IN.

CHILD 3 - Helen M. Lannon
Info from Jean Dyer of Ottumwa, IA 1994.

Info from estate of George Riley Dyer 1882.

1880 Perry Co. In census for Mary C. Lannon age 13 as daughter of Jos. Basinger. A wife Elizabeth 43 IN. This would be her birth in 1838 which was a few years after Elizabeth's marriage to Joseph as their first child was born 22c 1838. Mary was listed between John and Helen in census so maybe her age is 13 was wrong which would make more sense. Her age probably was 19, born 1861.

CHILD 2 - Mary C. Lannon
Info from Jean Dyer of Ottumwa, IA 1994.

1880 Perry Co. In census for John A. Lannon age 21 as son of Jos. Basinger. A wife Elizabeth 43 IN.

CHILD 1 - John A. Lannon
Info from Jean Dyer of Ottumwa, IA 1994.

their daughter.

Info from Jean Dyer has noted a letter written to Mr. Lannon by Riley Dyer 1 Aug 1880 seems to be from Mary Basinger Dyer and Elizabeth Dyer. Lannon to George and Helen in Ottumwa, IA. Mrs. George Riley Dyer has let Elizabeth as her Jos. Basinger in 1880. Geo Riley Dyer's estate record lists three women and nephews which includes one Basinger children, Eliza, Martha L., Viola, Amanda J. and Ada B. Daniel (last two not in 1880 census). Sarah B. seems missing.

Lab B 2 son, Joseph 2/12 to son.
Lannon 21 states Mary C. Lannon 12 and dau, Helen M. 17, daughter. 233 John Basinger 22 IN, Mary 23 IN wife, Helen 18 IN son, Sarah E. 14 IN dau, Eliza 7 IN dau, Viola M. 4 dau, Amanda J. 1 dau, John A. 1880 Perry Co. Clark Twp. IN pg 2 1880. Jos. Basinger 46 son, James, Elizabeth 43 IN wife, John 11 20 IN son.

1870 not checked.

1850 not listed with names, was buried and not checked to date.

1850 Spencer Co. IN, Elizabeth age 13 with parents.

1840 not listed parents to date but Elizabeth would be age 4.

DEATH: This record says O.R. Death certificate from dau Amanda list Elizabeth and Joseph as her parents. Jean also agrees that B. Rann, O.R.

INTERMARRIAGES: Acc 1984 to Joseph Basinger prob. Spencer Co. (Jean Dyer/Dyer acc. 7 children. Presally no summer of 1884.

INTERMARRIAGES: 1858 to Helen Lannon Spencer Co. IA. (Jean Dyer info 3 children)

INTERMARRIAGES: (only one possibility was the year and to Basinger between the two that Jean listed) who so will go with Jean Dyer of Ottumwa, IA 1994 listed as well as having children by that name. A not the Basinger Basinger Fines 1878-1881 and not listed and knew who her mother married but no age and that level records, O.R. and census records. This record says she was married to Lymon Basinger 8 Aug 1864 IN listed one wife. Elizabeth H. Dyer

In a letter written by someone in the Dyer family mentioned the Lannon family.

1941 records had listed her husband Lymon Basinger and 8 Aug 1864 IN but no one has this info so for now will think the daughter made a mistake in name.

HUSBAND - Helen Lannon
Info from Jean Dyer of Ottumwa, IA 1994 states the wife Helen Lannon 14 Dec 1858 Spencer Co. IN and had 3 children. He may have died and she and Joseph Basinger by 1864-2.

Wife - Elizabeth H. Dyer

Husband	George Riley Dyer
Wife	Emeline Van Winkle
Notes HUSBAND - George Riley Dyer Hurst, DAR, cemetery records. Also copy of Bio, estate record from Jean Dyer of Ottumwa, IA 1994. Find A Grave internet site listed George R. Dyer birth 14 Apr 1829 which was wrong as was 1839 and death 23 Deca 1886. , spouse Emeline Van Winkle 1846-1886, both buried Bristow, Perry Co. In, Bristow cem. A very large monument. MARRIAGE: Jean stated md Perry Co. IN 1863. DEATH: Bill Hurst of Newburgh, In found cemetery stone in the Bristow cem. Spencer Co. IN. Jean Dyer sent complete estate record of Geo. Riley Dyer which listed all his brothers and sisters, neices and nephews and what they got. It would appear he had no children by Emaline. Will was written 9 Jun 1886 in presence of Joseph R. Bradshaw & Hiram M. Lanman. Recorded Book C pg 244 Perry Co. IN 31 Dec 1886. May Term of court 1888 filed final report of George R. Dyer by Wm T. Vanwinkle, executor. Estate worth #3036.25 minus expenses of 1087.30 which left \$1948.95 to be given to heirs. As executor of George's estate William T. Van Winkle pays Joseph and Amanda some of the monies due them and established a trust for when they come of age and Joseph collected his initial payment on 6 Dec 1886 and Amanda collected hers 23 Dec 1887 and the document was filed May term of 1886. Christine said Wm VanWinkle really had his hands full as executor for George's estate because before the final payment on the house of George was made, the house burnt down and VanWinkle had to file with the F 7M Insurance Co. of which George had taken out a policy and VanWinkle won the case. Also on 3 May 1887 Hiram M. Lanman bought the deed to some of George's land (1 1/2 acres and part of the S.E. qt, 38 acres and part of the N.E. to the said East Qt 1/2 acre, of Sec 22 Twp 4 S, range 3. It was bounded by land conveyed by Wm T. VanWinkle to Elizabeth Lanman and to the north by a lot conveyed to McCallister. The District school was to the N.E. corner and on the west was a lot owned by the Methodist Episcopal Church.-- George R. Dyer was made guardian of heirs of Lorenzo Dyer who died before early 1878, Joseph B. Dyer and Amanda H. Dyer in a filing made 20 Nov 1882. A letter dated 1887 stated his son was living with his mother in Ill. This may be the Oscar Dyer related to. Since he was only son, he would probably get the family bible. This brings up the fact that Geo was married before or not? Christine said the people who raised him was Robert F."Frank" Whiteside and wife Francis Coplan. Believe Oscar was an illegitimate son of George as he was only married to Emeline from 1863 to her death 1886. Oscar was said to have been born ca 1877. One thing that is strange is Oscar Dyer received his largest bible and no one knows who this is. Jean received a letter from Christine McCormick from Gaithersville, MD who was descended from Oscar and said he was killed in a train crash in 1903 and he had this bible. It is possible he was George's son by a former wife? or someone else. Nothing else is known to date about Oscar. Was stated he was raised by a Whiteside family in Illinois. Christine also says she had a school book from Oscar that says Pulaski Schools but has not been able to trace it. But if he was md to Emma by 1863 and Oscar was born Nov 1877 who was his mother? Apr 1996: Received a letter from Christine McCormick, 26 Castle Court, Gaithersburg, MD 20878 about Oscar D. Dyer and said she had just been to Tell City in Perry Co. IN where she found some info on George R. Dyer and family but nothing related about Oscar. She also said Oscar put down on his marriage record that George R. Dyer was his father. Apparently nothing in George's estate about Oscar other then the bible he was to have received. 1840 not located parents to date but George would be age 1. 1850 Spencer Co. IN George R. age 11 in home of parents. 1860 Spencer Co. In George R. age 22 in home of parents. 1870 not checked to date. Prob. in Perry Co. IN. 1880 Perry Co. Anderson Twp. IN pg 2 #16: G.R. Dyer 41 IN-TN-TN farm, Emaline 37 IN-KY-KY wife Civil War Record shows he enlisted in the 49th Indiana Infantry 1 Apr 1863. If marriage date is correct he signed up the day after he was married. His bio of Perry Co. says he enlisted 22 Oct 1861 in Co. E. 49th Regt Indiana Volunteer Infantry and was discharged in Indianola, TX. 2 Feb 1865 by reason of close of war. He was taken prisoner in 1862

Aug 1865, absent on furlough Jul 20 Lexington. Volunteer Enlistment: State of Texas, town of Indianola dated 3 Feb 1864, shows he enlisted again at age 24 for three years unless discharged sooner. George was listed as having grey eyes, light hair and light complexion and five feet six inches in height. Appears to have been signed by George R. Dyer Biograhpy of George Riley Dyer in Perry Co. In History 1885, sent from Jean Dyer listed him as native of Johnson Co. IN being the 3rd of 13 children. 10 grown to adults. He list them all and lists his parents. List mg date and parents of wife. Tells of his military service. Said he followed farming as an occupation and owned 124 acres of land with good buildings. He was Republican and he and his wife were members of the Methodist Episcopal Church. All his brothers and sisters who lived to be grown were active and honorable members of the same church except one sister, Emily who belongs to the Christian Church. Jean sent copies of letters that was written to Riley by his parents in 1862. WIFE - Emeline Van Winkle Info from Jean Dyer, DAR and George Riley Dyers bio in Perry Co. History 1885. Apparently they had no children and maybe she died before he did as all his estate went to brothers and sisters and neices and nephews, even relatives of Emelines.

Bettendorf, IA 52722-2915

Dear Gladys:

I just returned from a trip to the Tell City Courthouse in Perry Co, IN where I found some information that I thought you might find interesting since you have done such a wonderful job piecing together the history of the Descendants of Elijah Dyer in your 1995 booklet.

1. George R Dyer was made guardian of the heirs of Lorenzo Dyer who died before early 1878. Specifically he is referred to as the guardian of Lorenzo's minor heirs Joseph B Dyer and Amanda H Dyer in a filing made Nov 20, 1882.

The final settlement of the estate of Lorenzo D Dyer took place on Nov 3, 1880.

Four children are listed as heirs:

John W Dyer	\$71.54
Adeline McCallister	71.55
Joseph B Dyer	71.53
Amanda Dyer	71.53

As executor of George's estate, William T VanWinkle pays Joseph and Amanda some of the monies due them and establishes a trust for when they come of age. Joseph collected his initial payment on Dec 6 1886; Amanda collected hers Dec 23, 1887. The document was filed May term of 1886.

2. Abraham S Dyer was the attorney for Rhoda Stacy whose death was stated as Dec 24, 1886. Her husband, Charles W Stacy and her parents, William and Sarah A Beard, filed for their share of Geo R Dyer's estae. The document mentioned that they were living in Clay Co, IL (Court Order Book, page 406)
3. Abram S Dyer had many filings in the court as guardian of Alice E Dyer, minor heir of Nancy A Dyer. Just one of the many filings was May 1883. (One such document is found in Probate Order Book #6, page 49.) Book #7 dated 1896-1900 contained the final discharge of guardianship of Alice since she apparently came of age.
4. John Dyer had a great many court rulings. He was judged insane and incapable of managing his estate (Nov Term 1887, page 133). Joseph S Bassinger became his guardian in the same year. (page 279)

Poor William T VanWinkle really had his hands full as executor for George's estate. Before the final payment on the house of George was made, the house burnt down and VanWinkle had to file with the F & M Insurance Company. George had taken out a policy. VanWinkle won the case.

May 3, 1887, Hiram M Lanman bought the deed to some of George's land. (4½ acres and part of the S.E. quarter, 38 acres and part of the N.E. to the said East quarter ½ acre, of section 27, township 4 south, range 3. It was bounded by land conveyed by Wm T VanWinkle to Elizabeth Lanman and to the north by a lot conveyed to McCallister. The District school was to the N.E. corner and on the west was a lot owned by the Methodist Episcopal Church.

I was so hoping that I could have found some information on my Oscar Dyer. From Iowa records, I was able to find the name of the people who raised him in Illinois before they all moved to Iowa in 1896: (Robert F "Frank" Whiteside and wife Francis Coplan.) Knowing now that other Dyer relatives of this family were in Illinois-- the Beards-- I am going to try to look in Clay county to see what will pop up. If I find any Beard descendants, I will surely let you know. I just can't understand why Oscar would put George R Dyer as his father on his marriage certificate. This promises to be a long, long search.

Sure hope that you and your family are well and that Spring is poking its head out in Iowa. Snow is forecast here in Maryland. This Winter has almost been as long as my search for poor Oscar. tee hee.

Dear Christine,

Thank you so much for the info you sent on George Dyer that you found in the Tell City courthouse in IN. It does fill in some holes doesn't it. At least puts the right people with right people.

I know how you feel about your missing Oscar. I have several I would like to locate as well. I feel like Oscar wouldn't have listed his father anywhere as George R. Dyer if he wasn't, would you think. So maybe it was one of those things that got swept under the rug and is very hard to get back out. Many of the Dyers are very illusive it seems and they sure are a puzzel to put together.

I have been working on a couple other lines lately so haven't done anything on Dyer's but really need to get back to them someday. If you do find something on the Beards in Clay Co. would like to see that info, just to place their daughter, Rhoda Stacy with an age and maybe Charles her husband as well.

Good luck.

Sincerely,

HUSBAND John N. DYER-1862

HUSBAND John N. DYER-1862

NOTES:

Not sure what middle initial he has as been written as S., N., & W. He was listed as brother John W. in bio of George Riley Dyer 1885. But in his estate he was listed as John N. According to census records he was born abt 1841 so don't think the John in Bristow cem is this John. He was also listed in estate of George to receive a portion as "Insane brother of testator" and his guardian was Jos. Bassinger, Elizabeths husband.

It would appear he was still living in 1886/1888 but not sure how much later as hadn't located any records to date of him of a later date. Joseph S. Bassinger became his guardian in 1887 pg 279 Perry Co. IN and in Nov Term 1887 pg 133 a John Dyer had been judged insane and incapable of managing his estate. Info from Christine McCormick Apr 1996 on the court ruling and also said John Dyer had a great many court rulings.

1850 Spencer Co. In John S. age 9 with parents.

1860 Spencer Co. IN John N. age 19 with parents. Listed as insane on census

1870 not checked

1880 Spencer Co. In John N. age 39 with mother Rhoda Lane.

In Bristow cemetery there is one John W. Dyer 1856-1927 and Sarah F Dyer 1856-1935. don't know who these are, don't believe it refers to this JOHN.

WEDNESDAY John W. DYER-1862

WIFE:

Not sure what middle initial he has as been written as E. W. & W. He was listed as brother John W. in his obit. George Wiley Dyer 1862, but in his estate he was listed as John W. According to census records he was born 1841 so don't think the John in Dyer's case is this John. He was also listed in estate of George to receive a portion as "James brother of Jester", and his guardian was John. Hansinger, Elizabeth's husband.

It would appear he was still living in 1862/1863 but not sure how much later as John's Jackson any records to date of him of a later date. Joseph S. Hansinger became his guardian in 1867 by 2nd Perry Co. IN and in Nov 1867 by 1st a John Dyer had been tested insane and incapable of managing his estate. Into from Christiana Baltimore Apr 1868 on the court ruling and also said John Dyer had a great many court relatives.

1870 Spencer Co. IN John E. age 2 with parents.

1880 Spencer Co. IN John W. age 19 with parents. Listed as James on census

1870 not checked

1880 Spencer Co. IN John E. age 19 with sister Rhoda Jane.

In Dyer's census there is one John W. Dyer 1828-1877 and Sarah F Dyer 1828-1877. Don't know who these are, don't believe it refers to this John.

HUSBAND James W. DYER-1863

NOTES:

Hurst, DAR, census records. Jean Dyer's also sent info on his service record.

DAR records state James W. Dyer prob. died in Alabama prison while in the Civil WAR. I have not checked for Civil War records to date. Jean said he died in Huntsville, AL.

Civil War: Enlisted in the 13th Indiana Calvary and died of fever in Huntsville, Ala. Jean has service papers and also info from the book "History of the 13th Indiana Calvary" list roster. Smith McCallister who married one of Lorenzo's daughters and Wm Beard who md Sally were also in this unit.

Jean sent copy of a letter written to his mother Rhoda Dyer Sept 1864 from James Dyer from Alabama just before he died stated he was "glad to hear of his sisters marriage to such a good man as he thinks Mr Bassinger is" That would put the marriage abt summer of 1864. The letter was written by Isaac Chewing as said James was too weak and nervis to write. (added by Jean- James W. Dyer died of Typhoid 13 Sep 1864 and also on Sept 30 Isaac Chewing was captured and spent the rest of the war at Andersonville Prison.)

Respected friends, I for the first time in life to take my pen in hand _____ know we ar getting along. He is setting on the bench now You need not _____ bout him. The reason he dont wright himself is because we have a bad place to write and he is weak and nervis. He recieved a letter from you last evening baring date of the 26th Aug and was glad to here from you. He was gratly surprised to heare of the wedding. but well satisfied and glad to think his sister had been so fortunate as to git as good a man as he thinks Mr. Baysinger is. he wishes them all the good luck and joy emaganable.

There is a good deal of news stirring here now and some excitement. they sav the rebs is going to try the 13th on. We were called out in line of battle last nite bout 11 oclock but no _____ came that I know of there ware a rite smart firing on the picket lines. But all quiet this morning. When I waked up I thought they ware fooling us and ware going to lav down again and there was another volly fired on Post No. 4. I jumped out and put on my clothes and equipment as quick as ever a nam did. We was all placed in line around the fort and stood awhile and was ordered to our quarters for the night.

WIFE Amanda DYER-1864

NOTES:

Hurst, DAR and census records. Jean Dyer doesn't have any info on Amanda.

Would appear Amanda had died young as had first thought.

1850 Spencer Co. IN Amanda age 4 with parents.

1860 Spencer Co. IN Amanda not with parents. I had thought Amanda had died and still believe so as the person in the letter did refer to another Amanda.

"in a letter written from Smith McCallister to William Green Dyer in Jun 1888 said "Mother Dyer and Amanda were still keeping batch on the old Dyer home place, neither being married yet" Which would place Amanda still in Perry Co. as late as 1888. (Jean sent copy of letter). She was not listed as an heir in May 1888 last estate filing of brother George Riley Dyer however.

There was an Amanda H. Dyer who was listed as niece of George (was this a another person.) It would appear that Mother Dyer and Amanda referred to was Charlotte Dyer and dau Amanda, wife and dau of Lorenzo D. Dyer

1870-1880 not located Amanda to date.

Also listed Anna Dyer 17 Jul 1868 - 21 Aug 1911 (could be 2nd wife). and Carl Dyer Jul 1881 - 1885 son of A.S. & Anna Dyer. (this son was born after 1st wife died and way before he md 2nd time) Unless date of 2nd mg is wrong. Hettie McCallister 30 Jan 1876 - 19 Sep 1908 (don't know who this is?) There were Huffs, Basham & Spencers buried there. Who was Emily J. Purcell niece of George Riley Dyer's estate received by A.S. Dyer. There was also Eva Dyer minor heir of myself -A.S. Dyer who recieved money from George Riley Dyers estate. To date don't know where she fits but was born before May 29 1888 when document was signed. In a letter written by Smith McCallister said Dr Dyer was still at Hoffman's. History of Warrick, Spencer & Perry counties states that a settlement known as Hoffman Mills on river separating Spencer and Perry counties is owned by Rhoda Butlers's husband and in laws. Also stated Abraham Dyer has practiced medicine there for many years. (was this Abraham or another?) WIFE - Nancy A. Van Winkle Bill Hurst of Newburgh, IN located burial place of Nancy Dyer in the Avery cemetery in Anderson Twp., Perry Co. IN. Stated wife of Abraham S. Dyer. Also History of Perry Co. In by James Mosby listed her burial. Others believe to be children buried there: Carl Dyer Jul 1881-1885 Son of A.S. and Anna Dyer (Nancy d. Dec 1880) so were date wrong or did Abraham marry again shortly after Nancy died. Said he md 1889 which wouldn't fit either wife if all dates were right. Anna Dyer 17 Jul 1868-21 Aug 1911 (daughter or 2nd wife of A.S. Dyer???) Hettie McCallister 30 Jan 1876-19 Sep 1908 (maybe dau of A.S. & A. Dyer.)? 1880 Perry Co. Anderson Twp. listed Nancy A. 33 wife of Abran Dyer with dau Alice A. age 4. (which would fit age of Hettie McCallister?)

Source notes for Elijah Dyer and Rhoda Hurst Dyer family.

Husband -Elijah Dyer

Information from Gladys Treadway, from Hurst Family records and tombstone. Also from biography of Son George Riley Dyer in History of Warrick, Spencer and Perry Co. written about 1875.

Census records

Washington Co. Ky, age 1 with parents.

1810 -same

1820- Harrison Co. In , age 22 with parents.

1830 -Head of household in Harrison Co.In.

1850 -Head of Household in Spencer Co. In. age 50 with

wife Rhoda, 46; Ramsey, 20; Jane, 19; Emily, 17; Geo. R., 11;

John S. 9; Jas. W. 7; Amanda, 4; and Abraham, 2.

1860 - Elijah, age 60; Rhoda, age 56; George R. 22;

John N. 19, insane; James w., 17; Abraham age 11. and Rhoda H. Butler, age 7.

Wife- Rhoda Hurst

Information from Gladys Treadway from Hurst family records. Rhoda died between June 1886 when George Riley wrote his will and 1880 when the final settlement was made. she was listed in the census of 1870 with son John. In 1880 she is listed as Rhoda Lane in Harrison Twp, Spencer Co.In. as head of household with son John N. age 39, and dau Mary age 23. If this was really her daughter Rhoda would have been 53 years old when she was born. Gladys says that Hurst records show her to have married to a Lamar. George Riley Bio. says she was the mother of thirteen children, 10 of whom lived to be adults. I can account for only 12.

1st child -Sarah or Sallie Ann

George Riley's bio. lists his oldest sister as Sarah (who married Hugh Boyles) Spencer county marriage shows Sallie Ann Dyer marrying Hugh Boyles 1 May 1843. Also in the probate records it mentions his sister Sally Ann as married to Wm. Beard. I think these two are the same. Boyles children are mentioned as his blood neices and nephews and also an Abraham Beard. When Wm. Green is notified of George Riley's death the letter mentioned Aunt Sally's daughter, Rhoda Stacy who died 24 Dec, 1886. Rhoda Stacy is listed in the probate as deceased and they are trying to find her heirs. Sally is visiting the relatives with her husband Wm. Beard in Feb 1887.

2nd child William Green Dyer

1850 census, head of household, age 23 born in In. with wife Mara A., age 22 born in Ky.- Harrison Twp, Spencer co. In/ 1870 Census, Village Twp. Van Buren co. Ia. Wm Green age 42, wife Mary Ann, age 40, Alice, age 12, Rhoda F. age 9, Charles, age 5, and Eva age 1.

1900 Census Village Twp, Van Buren co Ia. wm. Green age 75 wife A. age 72, mother of six children, 3 living. Mary born in Ky, her father in Pa and mother in Germany. Wm Gr and his parents all born in In.

Other records show Wm. Green was in Clark Co. Mo in 1858 and came to Ia about 1863 (tax Receipts) Probate records and Obit show he died in Bloomfield, Ia at the home of his daughter Rhoda. estate probated in Van Buren Co. Daughter Eva may be one mentioned in Geo Riley's probate papers as heir but there is no family knowledge of this child and I don't know of a tombstone.

3rd child- Lorenzo

Mentioned in George Riley's obit as deceased. Christine McCormick says the 1870 census show him living in Clark Township, Perry Co. In with wife Charlotte, children Mary A. age 16, John W. age 14, Joseph age 4, and Amanda age 3. Lucinda Miller, sister in law age 35 also lives with them. Adeline who married Smith McCallister was also their child I think. Perry co. marriages show Lorenzo and Charlotte Miller m. 10 Feb 1853. Charlotte was head of HH #21 in 1880 Census same location. She had Joseph and Amanda H. still with her and Lucinda Miller. Charlotte inherited from George Riley as Lorenzo's widow as did her children John W., Joseph, Adaline McCallister and Amanda. Mary A. is not mentioned in the will. Letter from Smith McCallister to Wm Green in June 1888 says "Mother Dyer and Amanda are still keeping batch on the old Dyer home place, neither being married yet." I believe this refers to Charlotte, his mother in law. Charlotte died 9Jul 1920 in Perry Co. (Perry Co. Deaths).

4th child - Ramsey

He is mentioned in the 1850 census age 20. I know of no other mention. He is not mentioned in George Riley's biography as being one of the children who grew up.

5th child Jane

Spencer Co Marriages say Jane Dyer was married to John Butler 9 Jul 1851. She was in the 1850 census with her parents. A Rhoda H. Butler age 7, was with the Elijah Dyer family in 1860. Rhoda H. Huffman was listed as a niece of George Riley in his probate and I believe she is Jane's daughter. Gladys Treadway gives death date and burial.

6th child - Emily

Spencer Co. Marriages -Emily married James P. Harris. George Riley's will mentions George W. Harris, Nephew of Testator as heir. G.R.'s Bio says his sister Emily in now Mrs John Masterson and she is in the will that way so she was alive in June 1886 when the will was written. However Martha Gross, George Harris Rhoda Rinnert and Charlotte Judkins divided up Emily's share so are apparently her children and she had died before July 1888.

7th child -Elizabeth

1850 Census with her parents. Gladys Treadway says Her first husband was Lyman Beeman. I think this is wrong. Spencer Co. Marriages list a marriage between Elizabeth Dyer and Heven Lanman 14 dec 1856. A letter written to Mr. Lanman by Riley Dyer 1 aug 1860 seems to be from Mary Bassinger Dyer and Elizabeth Dyer Lanman to Green and Heven in Clark Co. Missouri. The 1880 census lists Jos. Bassinger in Perry co. with wife Elizabeth and three Lanman stepchildren. George Riley biography lists Elizabeth as Mrs Jos Bassinger. I think she married Bassinger about 1864. George Riley's lists blood nieces and nephews and includes the Bassinger children Ella, Martha L. Viola, Amanda J. and two, Ada and Daniel, who are not in the 1880 census. Sarah E. may be the Sarah E. Stines that he disinherits because a Sarah E. Bassinger married a Daniel Stines Dec 14 1882. One of his wife's nieces Phoebe Van Winkle Stines married Thomas Stines 11 Jan 1880 but that apparently was all right with the old boy. Later information about Elizabeth is from Gladys Treadway.

8th child -George Riley

1850 and 1860 Census -listed with Elijah and Rhoda. George Riley enlisted in 49th Indiana Infantry 1 Apr 1863. His biography is in History of Warrick, Spencer and Perry Co. 1875. He and his wife Emmaline never had children. His will and probate records list all his near relatives and those of his wife. Information as to his burial place is from Gladys Treadway.

9th child -John

1850 census -with parents. Listed as insane.
1860 -with parents

1870 with mother
1880 with mother Rhoda Lame. He is listed as a laborer. George Riley bio. lists him as one of the children of the family who survived to adulthood. In the probate John is listed as "Insane brother of testator" and his guardian is Jos. Bassinger, Elizabeth's husband.

10th child - James s.

1850 census - with parents
1860 census -with parents.
1864 James enlisted in the 13th Indiana Calvary and died of fever in Huntsville, Ala. I have service papers and book, "History of 13th Indiana Calvary" lists roster. Smith McCallister who married one of Lorenzo's daughter's and Wm. Beard who married Sally were also in this unit.

11th child- Amanda

1850 census she is with her parents, age 4. She is not on 1860 census and I know nothing more about her.

12th child - Abraham

1850 census - with parents
1860 census - with parents.
1870 census -Not with mother and John. Don't know where he is.
1880 Census -Head of household age 36? with wife Nancy A. age 33 and child Alice A. age 4.
Listed in George Riley's bio. Also in will and probate papers. Perry County marriages show Abram S. Dyer married Nancy A Van Winkle 13 Feb 1875. He married Annie Spade 18 jul 1889. No Alice is listed as niece of George Riley so apparently she died young. Gladys Treadway lists no children either.

I have no record of the thirteenth child who apparently died in infancy.
